11. Disclosure; Publicity. The Company shall deliver drafts to the Ad Hoc Noteholder Group Advisors and the Equity Committee Advisors of any press releases that constitute disclosure of the existence or terms of the Restructuring or the Restructuring Transactions contemplated by the Plan, this Agreement or any amendment to the terms of the Restructuring, the Restructuring Transactions or this Agreement at least twenty-four (24) hours or as soon as reasonably practicable prior to making any such disclosure. Except as required by applicable Law or otherwise permitted under the terms of any other agreement between the Company and any Consenting Creditor, no Party or its advisors shall disclose to any Person or entity (including, for the avoidance of doubt, any other Consenting Creditor), other than advisors to the Company, the principal amount or percentage of Convertible Notes held by any Consenting Creditor, in each case, without such Consenting Creditor's prior written consent; provided that (a) if such disclosure is required by Law, subpoena, or other legal process or regulation, the disclosing Party shall afford the relevant Consenting Creditor a reasonable opportunity to review and comment in advance of such disclosure and shall take all reasonable measures to limit such disclosure, (b) the foregoing shall not prohibit the disclosure of the

aggregate percentage or aggregate principal amount of Convertible Notes held by all the Consenting Creditors collectively and (c) any Party may disclose information requested by a regulatory or licensing authority with jurisdiction over its operations to such authority without limitation or notice to any Party or other person. Notwithstanding the provisions in this Section 10, any Party may disclose, to the extent consented to in writing by a Consenting Creditor, such Consenting Creditor's individual holdings. Any public filing of this Agreement, with the Bankruptcy Court or otherwise, which includes executed signature pages to this Agreement shall include such signature pages only in redacted form with respect to the holdings of each Consenting Creditor (provided that the holdings disclosed in such signature pages may be filed in unredacted form with the Bankruptcy Court under seal).

12. Amendments and Waivers.

(a) Except as otherwise expressly set forth herein, this Agreement, including any exhibits or schedules hereto, may not be modified, amended or supplemented or the performance of any obligation thereunder waived except in a writing signed by the Company, the Requisite Consenting Creditors, and the Equity Committee (in accordance with the Equity Committee Bylaws).

(b) Notwithstanding Section 12(a) hereof:

(i) any waiver, modification, amendment or supplement to this Section 12 shall require the written consent of all of the Parties;

(ii) any modification, amendment or change to the definition of "Requisite Consenting Creditors" shall require the written consent of each Consenting Creditor that is a holder of Convertible Notes;

(iii) any change, modification or amendment to this Agreement or the Plan that treats or affects any Consenting Creditor in a manner that is materially and adversely disproportionate, on an economic basis, to the manner in which any of the other similarly situated Consenting Creditors are treated (after taking into account each of the Consenting Creditors' respective Claims and the recoveries contemplated by the Plan), or that requires any Consenting Creditor to incur any expenses, liabilities, or other obligations, or agree to any commitments, undertakings, concessions, indemnities, or other arrangements that could result in expenses, liabilities, or other obligations, shall require the written consent of each such affected Consenting Creditor; and

(iv) any change, modification or amendment to Section 2(c)(v) of this Agreement shall require the written consent of each Consenting Creditor.

13. Effectiveness. This Agreement shall become effective and binding upon each Party upon the Support Effective Date. Each of the exhibits, annexes, signatures pages, and schedules attached to this Agreement is expressly incorporated and made a part of this Agreement, and all references to this Agreement shall include such exhibits, annexes, and schedules. In the event of any inconsistency between this Agreement (without reference to

the exhibits, annexes, and schedules attached to this Agreement) and the exhibits, annexes, and schedules attached to this Agreement, the applicable exhibit, annex or schedule shall govern.

14. Governing Law; Jurisdiction; Waiver of Jury Trial.

(a) **Governing Law; Submission to Jurisdiction; Selection of Forum.** This agreement is to be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed in the chosen state, without giving effect to its conflict of laws principles. Each Party to this Agreement agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement, to the extent possible, in the Bankruptcy Court, and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court; (b) waives any objection to laying venue in any such action or proceeding in the Bankruptcy Court; and (c) waives any objection that the Bankruptcy Court is an inconvenient forum or does not have jurisdiction over any Party to this Agreement.

(b) **EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).**

15. Specific Performance/Remedies. It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys' fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy, including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder. Each Party hereby waives any requirement for the security or posting of any bond in connection with such remedies.

16. Survival. Notwithstanding the termination of this Agreement pursuant to Section 8 hereof, the agreements and obligations of the Parties in Sections 5(g), 6(b), 7(c), 8(d), 8(e), 8(f), 10, 12, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, and 26 hereof (and any defined terms used in any such Sections solely to the extent used therein) shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; *provided, that* any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

17. Headings. The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

18. Successors and Assigns; Severability. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns,

heirs, executors, administrators and representatives; *provided that*, during the Support Period, nothing contained in this Section 18 shall be deemed to permit Transfers of the Convertible Notes or any Claims other than in accordance with the express terms of this Agreement. If any provision of this Agreement, or the application of any such provision to any Person or entity or circumstance, shall be held invalid or unenforceable, in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

19. Several, Not Joint, Obligations. Notwithstanding anything herein to the contrary, the duties, agreements, representations and obligations of the Parties under this Agreement are, in all respects, several and not joint; *provided that* the duties, agreements, representations and obligations of the Company shall be joint and several.

20. Relationship Among Parties. Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties hereto and no other person or entity shall be a third-party beneficiary hereof. No Party shall have any responsibility for any trading by any other entity by virtue of this Agreement. No prior history, pattern or practice of sharing confidences among or between the Parties shall in any way affect or negate this understanding and Agreement. The Parties acknowledge that this Agreement does not constitute an agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting or disposing of any equity securities of the Company and do not constitute a “group” within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended. None of the Consenting Creditors, the Equity Committee, nor the Equity Committee Members shall have any fiduciary duty, any duty of trust or confidence in any form, or other duties or responsibilities in any kind or form to each other, the Company or any of the Company’s other lenders or stakeholders, including as a result of this Agreement or the transactions contemplated herein or in any exhibit hereto; and no action taken by any Party pursuant to this Agreement shall be deemed to constitute or to create a presumption by any of the Parties that the Parties are in any way acting in concert or as a “group.”

21. Prior Negotiations; Entire Agreement. This Agreement, including the exhibits and schedules hereto, constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that (i) any confidentiality agreements (if any) heretofore executed between the Company, each Consenting Creditor, and the Equity Committee, shall continue in full force and effect solely with respect to any then-continuing obligations thereunder and (ii) any confidentiality provisions set forth in the Mediation Order pertaining to the Company, each Consenting Creditor, and the Equity Committee shall continue in full force and effect until the Mediation is terminated in accordance with the terms of such Mediation Order.

22. Reservation of Rights.

(a) Except as expressly provided in this Agreement or the Plan, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict the ability of any Party to protect and preserve its rights, remedies and interests, including, without limitation, its claims against any of the other Parties.

(b) Without limiting subsection (a) of this Section 22 in any way, if this Agreement is terminated for any reason, nothing shall be construed herein as a waiver by any Party of any or all of such Party's rights, remedies, claims, and defenses and the Parties expressly reserve any and all of their respective rights, remedies, claims and defenses. This Agreement, the Plan, and any related document shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of any Party of any claim or fault or liability or damages whatsoever. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

23. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement may be delivered by electronic mail or otherwise, which shall be deemed to be an original for the purposes of this paragraph.

Pursuant to Rule 408 of the Federal Rules of Evidence, any applicable state rules of evidence, the mediation privilege established by the Mediation Order, and any other applicable Law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms.

26. No Solicitation; Investor Status.

(a) This Agreement is not and shall not be deemed to be a solicitation for votes on the Plan. The voters of the holders of claims against the Company will not be solicited until such holders who are entitled to vote have received the Plan, the Disclosure Statement, and related Solicitation Materials, including the ballots. In addition, this Agreement does not constitute an offer to issue or sell securities to any person or entity, or the solicitation of an offer to acquire or buy securities, in any jurisdiction where such offer or solicitation would be unlawful.

(b) Each Party acknowledges that it has had an opportunity to receive information from the Company, and that it has been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of

this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(c) Although none of the Parties intends that this Agreement should constitute, and they each believe it does not constitute, a solicitation or acceptance of the Plan or an offering of securities, each Consenting Creditor acknowledges, agrees and represents to the other Parties that it (i) is a Qualified Institutional Buyer (as defined in Rule 144A of the Securities Act, “institutional accredited investor” (within the meaning of Rule 501(a)(1), (2), (3), or (7) of the Securities Act) or Non-“U.S. Person” (as defined in Regulation S of the Securities Act), (ii) understands that any securities to be acquired by it pursuant to the Restructuring have not been registered under the Securities Act and that such securities are, to the extent not acquired pursuant to section 1145 of the Bankruptcy Code, being offered and sold pursuant to an exemption from registration contained in the Securities Act, based in part upon such Consenting Creditor’s representations contained in this Agreement and cannot be sold unless subsequently registered under the Securities Act or an exemption from registration is available and (iii) has such knowledge and experience in financial and business matters that such Consenting Creditor is capable of evaluating the merits and risks of the securities to be acquired by it pursuant to the Restructuring and understands and is able to bear any economic risks with such investment.

To the extent the Disputed Claim is either Disallowed or Allowed in an amount that is less than the Disputed Claims Estimation Amount for such Disputed Claim, (i) New Common Interests with a value, based on Plan Value, equal to (a) the Disputed Claims Estimation Amount minus (b) the amount in which the Disputed Claim is Allowed pursuant to a Final Order, shall then be issued and distributed annually to Holders of Allowed Claims and Existing Common Interests in Classes 11 and 12 in accordance with sections 4.11 and 4.12 hereof and (ii) the applicable Pro Rata Equity Share of New Warrants shall then be issued and distributed no less than annually to Holders of Allowed Claims and Existing Common Interests in Classes 11 and 12 in accordance with sections 4.11 and 4.12 hereof.

(c) For purposes of computing distribution amounts to Holders of Allowed Claims and Existing Common Interests on the Effective Date, such that New Common Interests issued to Holders of Allowed Claims and Existing Common Interests on the Effective Date shall be issued on a diluted basis with a share count and allocation that takes into account the maximum number of New Common Interests that can be issued on account of the Incremental Convertible Noteholder Equity Distribution, New Common Interests shall be treated as if issued on the Effective Date on account of the Incremental Convertible Noteholder Equity Distribution in an amount equal to the Incremental Convertible Noteholders Equity Distribution Temporary Calculation Amount. Following approval of the Equity Committee's Professional Fee Claims pursuant to a Final Order and Allowance or Disallowance of the Ad Hoc Equity Group's Substantial Contribution Claim pursuant to Final Order, (i) New Common Interests with a value, based on Plan Value, equal to the amount by which the Incremental Convertible Noteholders Equity Distribution Temporary Calculation Amount exceeds the Incremental Convertible Noteholders Equity Distribution Amount, if any, shall then be issued and distributed no less than annually to Holders of Allowed Claims and Existing Common Interests in Classes 11 and 12 in accordance with sections 4.11 and 4.12 hereof and (ii) New Common Interests equal to the Incremental Convertible Noteholders Equity Distribution Amount shall then be issued and distributed as set forth in sections 4.1 and 4.2 hereof.

ARTICLE VI. DISTRIBUTIONS.6.1. *Distributions Generally.*

Except as otherwise provided in the Plan, the Disbursing Agent shall make all applicable Plan Distributions to the appropriate Holders of Allowed Claims and Existing Common Interests in accordance with the terms of the Plan. The Reorganized Debtors shall be authorized to cause partial distributions to be made on account of Allowed Claims and Existing Common Interests before all Claims are Allowed. 6.2. *Distribution Record Date.*

As of the close of business on the Distribution Record Date, the various transfer registers for each of the Classes of Claims or Interests as maintained by the Debtors or their respective agents shall be deemed closed, and there shall be no further changes in the record Holders of any of the Claims or Interests. The Debtors or the Reorganized Debtors shall have no obligation to recognize any transfer of the Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure Amounts or disputes over any Cure Amounts, neither the Debtors nor the applicable Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract or Unexpired Lease as of the close of business on the Distribution Record Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure Amount.

All distributions to Convertible Noteholders shall be deemed to be made to or by the Notes Agent. Regardless of whether such distributions are made by the Notes Agent or by the Disbursing Agent at the reasonable direction of the Notes Agent, the charging liens shall attach to the property to be distributed to the Convertible Noteholders in the same manner as if such distributions were made through the Notes Agent.

Notwithstanding anything in the Plan to the contrary, in connection with any distribution under the Plan to be effected through the facilities of DTC (whether by means of book-entry exchange, free delivery, or otherwise), the Debtors or the Reorganized Debtors, as applicable, shall be entitled to recognize and deal for all purposes under the Plan with Holders of Claims in each Class to the extent consistent with the customary practices of DTC used in connection with such distributions. All New Common Interests, New Secured Convertible Notes, New Secured Notes, or Contingent Payment Obligations to be distributed under the Plan pursuant to section 1145 of the Bankruptcy Code shall be issued in the names of such Holders or their nominees in accordance with DTC's book-entry exchange procedures or on the books and records of a transfer agent; *provided*, that such New Common Interests, New Secured Convertible Notes, New Secured Notes, or Contingent Payment Obligations will only be issued in accordance with DTC book-entry procedures if the same are permitted to be held through DTC's book-entry system.

Except as specifically provided in the Plan, Holders of Allowed Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. Issuances in connection with the distribution of the Incremental Convertible Noteholders Equity Distribution shall be made as soon as practicable to the Holders of Allowed Claims in Classes 1, 2, 11, or 12, as applicable, after (a) all Professional Fee Claims for the Professionals representing the Equity Committee are Allowed or Disallowed by the Bankruptcy Court and (b) a Final Order with respect to the Ad Hoc Equity Group Substantial Contribution Claim shall have been entered.

6.4. *Disbursing Agent.*

All distributions under the Plan shall be made by the applicable Reorganized Debtor or applicable Disbursing Agent on or after the Effective Date or as otherwise provided herein. A Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties, and all reasonable fees and expenses incurred by such Disbursing Agent directly related to distributions hereunder shall be reimbursed by the Reorganized Debtors.

6.5. *Rights and Powers of Disbursing Agent.*

(c) Expenses Incurred on or After the Effective Date. Except as otherwise ordered by the Bankruptcy Court and subject to the written agreement of the Reorganized Debtors, the amount of any reasonable fees and expenses incurred by a Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including for reasonable attorneys' and other professional fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors in the ordinary course of business.

Except as otherwise ordered by the Bankruptcy Court, any reasonable and documented fees and expenses incurred by a Disbursing Agent acting in such capacity (including reasonable and documented attorneys' fees and expenses) on or after the Effective Date shall be paid in Cash by the Reorganized Debtors in the ordinary course of business.

6.7. *No Postpetition Interest on Claims.*

Except as otherwise specifically provided for in the Plan, the Confirmation Order, or another order of the Bankruptcy Court, postpetition interest shall not accrue or be paid on any Claims, and no Holder of a Claim shall be entitled to interest accruing on such Claim on or after the Petition Date.

6.8. *Delivery of Distributions.*

Subject to Bankruptcy Rule 9010, all distributions to any Holder of an Allowed Claim or Existing Common Interest shall be made to a Disbursing Agent, which shall transmit such distribution to the applicable Holders of Allowed Claims and Existing Common Interests as and when required by the Plan at (i) the address of such Holder on the books and records of the Debtors or their agents or (ii) at the address in any written notice of address change delivered to the Debtors or the Disbursing Agent, including any addresses including on any transfers of Claim Filed pursuant to Bankruptcy Rule 3001. In the event that any distribution to any Holder is returned as undeliverable, no further distributions shall be made to such Holder unless and until such Disbursing Agent is notified in writing of such Holder's then-current address, at which time, or as soon thereafter as reasonably practicable, all currently-due, missed distributions shall be made to such Holder without interest. Nothing herein shall require any Disbursing Agent to attempt to locate Holders of undeliverable distributions and, if located, assist such Holders in complying with section 6.19 of the Plan.

DTC on a relevant distribution date will be forfeited. For the avoidance of doubt, DTC shall be considered a single holder for purposes of distributions.

6.9. ***Distributions after Effective Date.***

Distributions made after the Effective Date to (i) Holders of Disputed Claims that are not Allowed Claims as of the Effective Date but which later become Allowed Claims, (ii) Holders of Claims in Classes 1 and 2 on account of the Incremental Convertible Noteholder Equity Distribution, and (iii) Holders of Claims and Interests in Classes 11 and 12 in accordance with section 5.20(b) and (c) hereof, shall, in each case, be deemed to have been made on the Effective Date.

6.10. ***Unclaimed Property.***

One year from the later of (i) the Effective Date and (ii) the date that is ten (10) Business Days after the date of a distribution on an Allowed Claim or Existing Common Interest, all distributions payable on account of such Claim that are undeliverable or otherwise unclaimed shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall revert to the Reorganized Debtors or their successors or assigns, and all claims of any other Person (including the Holder of a Claim in the same Class) to such distribution shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any Holder of an Allowed Claim or Existing Common Interest other than by reviewing the Debtors' books and records, including the records of the Debtors' transfer agent(s), and the Bankruptcy Court's Filings.

6.11. ***Time Bar to Cash Payments.***

Checks issued by a Disbursing Agent in respect of Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of first issuance thereof. Thereafter, the amount represented by such voided check shall irrevocably revert to the Reorganized Debtors, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary. Requests for re-issuance of any check shall be made to the applicable Disbursing Agent by the Holder of the Allowed Claim to which such check was originally issued, prior to the expiration of the ninety (90) day period.

6.12. ***Manner of Payment under Plan.***

Except as otherwise specifically provided in the Plan, at the option of the Debtors or the Reorganized Debtors, as applicable, any Cash payment to be made hereunder by the Debtors or Reorganized Debtors may be made by a check or wire transfer or as otherwise required or provided in applicable agreements or customary practices of the Debtors.

6.13. ***Satisfaction of Claims.***

Except as otherwise specifically provided in the Plan, any distributions and deliveries to be made on account of Allowed Claims or Existing Common Interests under the Plan shall be in complete and final satisfaction, release, settlement, and discharge of and exchange for such Allowed Claims or Existing Common Interests.

6.14. ***Fractional Stock and Notes.***

No fractional New Common Interests shall be distributed. If any distributions of New Common Interests pursuant to the Plan would result in the issuance of a fractional share of New Common

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 126 of 252

Interests, then the number of shares of New Common Interests to be issued in respect of such distribution will be calculated to one decimal place and rounded up or down to the closest whole share (with a half share or greater rounded up and less than a half share rounded down). The total number of shares of New Common Interests to be distributed in connection with the Plan shall be adjusted as necessary to account for the rounding provided for in this section 6.14. No consideration shall be provided in lieu of fractional shares that are rounded down. Neither the Reorganized Debtors nor the Disbursing Agent shall have any obligation to make a distribution that is less than one (1) share of New Common Interests. Fractional shares of New Common Interests that are not distributed in accordance with this section shall be returned to, and the ownership thereof shall vest in, the Reorganized Debtors. The New Secured Convertible Notes and New Secured Notes shall be issued in a denomination of \$1.00 and integral multiples of \$1.00 and any other amounts shall be rounded down.

6.15. *Minimum Cash Distributions.*

A Disbursing Agent shall not be required to make any distribution of Cash less than one hundred dollars (\$100) to any Holder of an Allowed Claim; *provided, however,* that if any distribution is not made pursuant to this section 6.15, such distribution shall be added to any subsequent distribution to be made on behalf of such Holder's Allowed Claim.

6.16. *Setoffs and Recoupments.*

(a) Each Debtor, Reorganized Debtor, or such entity's designee as instructed by such Debtor or Reorganized Debtor, may, but shall not be required to, set off or recoup against any Claim, and any distribution to be made pursuant to the Plan on account of such Claim, any and all claims, rights, and Causes of Action of any nature whatsoever that a Debtor, Reorganized Debtor, or its successors may have against the Holder of such Claim; *provided, however,* that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by a Debtor, a Reorganized Debtor, or its successor of any claims, rights, or Causes of Action that a Debtor, Reorganized Debtor, or its successor or assign may possess against the Holder of such Claim.

(b) In no event shall any Holder of Claims be entitled to set off any such Claim against any claim, right, or Cause of Action of the Debtor or Reorganized Debtor, unless (i) the Debtors or the Reorganized Debtors, as applicable, have consented or (ii) such Holder has Filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise. Notwithstanding the foregoing, this paragraph does not create any new rights to setoff or recoupment that did not exist under any applicable law or agreement in existence prior to the Effective Date.

6.17. *Allocation of Distributions between Principal and Interest.*

Except as otherwise provided in the Plan and subject to section 6.7 of the Plan or as otherwise required by law (as reasonably determined by the Reorganized Debtors), distributions with respect to an Allowed Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for United States federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any, including accrued but unpaid interest.

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 127 of 252

6.18. *No Distribution in Excess of Amount of Allowed Claim or Existing Common Interest.*

Notwithstanding anything in the Plan to the contrary, no Holder of an Allowed Claim or Existing Common Interest shall receive, on account of such Allowed Claim or Existing Common Interest, Plan Distributions in excess of the Allowed amount of such Claim (plus any postpetition interest on such Claim solely to the extent permitted by the Plan) or Existing Common Interest.

6.19. *Withholding and Reporting Requirements.*

(a) *Withholding Rights.* In connection with the Plan, any Person issuing any instrument or making any distribution described in the Plan (or any other related agreement) or payment in connection therewith shall comply with all applicable withholding and reporting requirements imposed by any federal, state, local or non-U.S. taxing authority, and, notwithstanding any provision in the Plan to the contrary, any such Person shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of any distribution or payment to be made under or in connection with the Plan (or any other related agreement) to generate sufficient funds to pay applicable withholding taxes, using its own funds to pay any applicable withholding taxes and retaining a portion of the applicable distribution, withholding distributions pending receipt of information necessary or appropriate to facilitate such distributions or establishing any other mechanisms it believes are reasonable and appropriate. Any amounts withheld shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each Holder of an Allowed Claim or Interest or any other Person that receives a distribution pursuant to the Plan or payment in connection therewith shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including, without limitation, income, withholding, and other taxes, on account of such distribution. Any party issuing any instrument or making any distribution pursuant to the Plan has the right, but not the obligation, to not make a distribution until such Holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

(b) *Forms.* Any party entitled to receive any property as an issuance or distribution under the Plan shall, upon request, deliver to the applicable Disbursing Agent or such other Person designated by the Reorganized Debtors (which Person shall subsequently deliver to the applicable Disbursing Agent any applicable Internal Revenue Service (“IRS”) Form W-8 or Form W-9 received) an appropriate IRS Form W-9 or an appropriate IRS Form W-8 and any other forms or documents reasonably requested by any Reorganized Debtor to reduce or eliminate any withholding required by any federal, state, or local taxing authority. If such request is made by the Reorganized Debtors, the Disbursing Agent, or such other Person designated by the Reorganized Debtors or a Disbursing Agent and such party fails to comply before the date that is 180 days after the request is made, the amount of such distribution shall irrevocably revert to the applicable Reorganized Debtor and any Claim in respect of such distribution shall be discharged and forever barred from assertion against such Reorganized Debtor or its respective property.

ARTICLE VII. PROCEDURES FOR DISPUTED CLAIMS.

7.1. *Disputed Claims Generally.*

Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed pursuant to the Plan or Final Order, including the

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 128 of 252

Confirmation Order (when it becomes a Final Order) Allowing such Claim; *provided*, that prior to the Effective Date, the Debtors shall consult with the Equity Committee regarding the Allowance of any Disputed General Unsecured Claim in excess of \$1,000,000. Except insofar as a Claim is Allowed under the Plan or was Allowed prior to the Effective Date, the Debtors or Reorganized Debtors, as applicable, shall have and retain any and all rights and defenses such Debtor has with respect to any Disputed Claim. Any objections to Claims shall be served and Filed on or before the Claim Objection Deadline. All Disputed Claims not objected to by the end of such period shall be deemed Allowed unless such period is extended upon approval of the Bankruptcy Court.

7.2. *Objections to Claims.*

Except insofar as a Claim is Allowed under the Plan, the Debtors or Reorganized Debtors, as applicable, shall be entitled to object to Claims. Except as otherwise expressly provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, the Reorganized Debtors shall have the authority to (i) file, withdraw, or litigate to judgment objections to Claims, (ii) settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court, and (iii) administer and adjust the Debtors' claims register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court.

7.3. *Estimation of Claims.*

The Debtor or Reorganized Debtors, as applicable, may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, including in connection with the Disputed Claims Estimation Motion, regardless of whether the Debtors previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Debtors or Reorganized Debtors, as applicable, may pursue supplementary proceedings to object to the allowance of such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before twenty-one (21) days after the date on which such Claim is estimated.

7.4. *Adjustment to Claims Register Without Objection.*

Any duplicate Claim or Interest or any Claim or Interest that has been paid or satisfied, or any Claim that has been amended or superseded, may be adjusted or expunged on the claims register by the Debtors or Reorganized Debtors, as applicable, upon stipulation or any agreement in writing, including, without limitation, email correspondence, between the parties in interest without a Claims objection having to be Filed and without any further notice or action, order, or approval of the Bankruptcy Court.

7.5. *Disallowance of Claims.*

Any Claims held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed Disallowed pursuant

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 129 of 252

to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or Reorganized Debtors, as applicable.

Except as otherwise provided herein or otherwise agreed by the Debtors or the Reorganized Debtors, as applicable, any and all Proofs of Claim Filed after the applicable Bar Date shall be deemed Disallowed and expunged as of the Effective Date without any further notice or action, order, or approval of the Bankruptcy Court, and Holders of such Claims or Interests may not receive any distributions on account of such Claims or Interests, unless the Bankruptcy Court shall have determined by a Final Order, on or before the Confirmation Hearing, that cause exists to extend the Bar Date as to such Proof of Claim on the basis of excusable neglect.

7.6. *No Distributions Pending Allowance.*

If an objection, motion to estimate, or other challenge to a Claim or Interest is Filed, no payment or distribution provided under the Plan shall be made on account of such Claim or Interest unless and until (and only to the extent that) such Disputed Claim or Interest becomes an Allowed Claim or Allowed Interest.

7.7. *Distributions after Allowance.*

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan, including the treatment provisions provided in Article IV and section 5.20(b) of the Plan. As soon as reasonably practicable after the date that the Final Order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the Holder of such Claim the distribution to which such Holder is entitled under the Plan as of the Effective Date.

7.8. *Claim Resolution Procedures Cumulative.*

All of the Claims, objection, estimation, and resolution procedures in the Plan are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently settled, compromised, withdrawn, or resolved in accordance with the Plan without further notice or Bankruptcy Court approval.

7.9. *Single Satisfaction of Claims and Interests.*

In no case shall the aggregate value of all property received or retained under the Plan on account of any Allowed Claim or Interest exceed 100 percent of the underlying Allowed Claim or Interest plus applicable interest required to be paid hereunder, if any.

7.10. *Amendments to Claims.*

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Claim may not be Filed or amended without the prior authorization of (i) the Bankruptcy Court or (ii) the Reorganized Debtors, with the consent of the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA), and any other new or amended Claim or Proof of Claim Filed after the Effective Date shall be deemed Disallowed in full and expunged without any further action or notice to the Bankruptcy Court.

7.11. *Procedures for Reinstated Claims.*

(a) At least ten (10) days before the deadline to object to Confirmation of the Plan, the Debtors shall serve a notice on Holders of Other Secured Claims in Class 4 setting forth the proposed Cure Amount (if any) necessary to Reinstate such Claims. **Any objection by a Holder of an Other Secured Claim in Class 4 to the proposed Cure Amount must be Filed, served, and actually received by the Debtors within fourteen (14) days of the service of the notice of proposed Cure Amount, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court.** Any Holder of an Other Secured Claim in Class 4 that does not timely object to the notice of the proposed Cure Amount shall be deemed to have assented to the Reinstatement of its Claim and the proposed Cure Amount listed therein and shall be shall forever be barred and enjoined from objecting to the Reinstatement of its Claim on the grounds that sections 1124(2)(A), (C), or (D) of the Bankruptcy Code have not been satisfied.

(b) To the extent there is a dispute relating to the Cure Amount, the Debtors may Reinstate the applicable Other Secured Claim prior to the resolution of the Cure Amount dispute; *provided* that the Debtors or the Reorganized Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure Amount by the Holder of the applicable Other Secured Claim (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such Holder and the applicable Reorganized Debtor).

(c) Subject to resolution of any dispute regarding any Cure Amount, all Cure Amounts shall be satisfied on the Effective Date, or otherwise as soon as practicable thereafter, by the Debtors or Reorganized Debtors, as the case may be.

ARTICLE VIII. EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

8.1. *General Treatment.*

(a) As of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Amount, and subject to section 8.5 of the Plan, all Executory Contracts and Unexpired Leases to which any of the Debtors are parties shall be deemed assumed, unless such contract or lease (i) was previously assumed or rejected by the Debtors, pursuant to Final Order of the Bankruptcy Court, (ii) previously expired or terminated pursuant to its own terms or by agreement of the parties thereto, (iii) is the subject of a motion to reject Filed by the Debtors on or before the Confirmation Date, or (iv) is specifically designated as a contract or lease to be rejected on the Schedule of Rejected Contracts.

(b) Subject to (i) satisfaction of the conditions set forth in section 8.1(a) of the Plan, (ii) resolution of any disputes in accordance with section 8.2 of the Plan with respect to the Executory Contracts or Unexpired Leases subject to such disputes, and (iii) the occurrence of the Effective Date, entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumptions or rejections provided for in the Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each Executory Contract and Unexpired Lease assumed or assumed and assigned pursuant to the Plan shall vest in and be fully enforceable by the applicable Reorganized Debtor or assignee in accordance with its terms, except as modified by any provision of the Plan, any order of the Bankruptcy Court authorizing and providing for its assumption or assumption and assignment, or applicable law.

(c) To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 131 of 252

such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

(d) The Debtors reserve the right, on or before the Effective Date, to amend the Schedule of Rejected Contracts or the Schedule of Assumed Contracts, with the consent of the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA), to add or remove any Executory Contract or Unexpired Lease; *provided* that the Debtors or Reorganized Debtors, as applicable, may amend the Schedule of Rejected Contracts or Schedule of Assumed Contracts to add or delete any Executory Contracts or Unexpired Leases after such date to the extent agreed with the relevant counterparties and the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA) and entry of an order of the Bankruptcy Court.

8.2. *Determination of Assumption and Cure Disputes and Deemed Consent.*

(a) The Debtors shall File, as part of the Plan Supplement, the Schedule of Rejected Contracts and the Schedule of Assumed Contracts. At least ten (10) days before the deadline to object to Confirmation of the Plan, the Debtors shall serve a notice on parties to Executory Contracts or Unexpired Leases to be assumed, assumed and assigned, or rejected reflecting the Debtors' intention to potentially assume, assume and assign, or reject the contract or lease in connection with the Plan and, where applicable, setting forth the proposed Cure Amount (if any). If a counterparty to any Executory Contract or Unexpired Lease that the Debtors or Reorganized Debtors, as applicable, intend to assume or assume and assign is not listed on such a notice, the proposed Cure Amount for such Executory Contract or Unexpired Lease shall be deemed to be Zero Dollars (\$0). **Any objection by a counterparty to an Executory Contract or Unexpired Lease to the proposed assumption, assumption and assignment, or related Cure Amount must be Filed, served, and actually received by the Debtors within fourteen (14) days of the service of the assumption notice, or such shorter period as agreed to by the parties or authorized by the Bankruptcy Court.** Any counterparty to an Executory Contract or Unexpired Lease that does not timely object to the notice of the proposed assumption of such Executory Contract or Unexpired Lease shall be deemed to have assented to assumption of the applicable Executory Contract or Unexpired Lease notwithstanding any provision thereof that purports to (i) prohibit, restrict, or condition the transfer or assignment of such contract or lease; (ii) terminate or modify, or permit the termination or modification of, a contract or lease as a result of any direct or indirect transfer or assignment of the rights of any Debtor under such contract or lease or a change, if any, in the ownership or control to the extent contemplated by the Plan; (iii) increase, accelerate, or otherwise alter any obligations or liabilities of any Debtor or any Reorganized Debtor, as applicable, under such Executory Contract or Unexpired Lease; or (iv) create or impose a Lien upon any property or Asset of any Debtor or any Reorganized Debtor, as applicable. Each such provision shall be deemed to not apply to the assumption of such Executory Contract or Unexpired Lease pursuant to the Plan and counterparties to assumed Executory Contracts or Unexpired Leases that fail to object to the proposed assumption in accordance with the terms set forth in this section 8.2(a), shall forever be barred and enjoined from objecting to the proposed assumption or to the validity of such assumption (including with respect to any Cure Amounts or the provision of adequate assurance of future performance), or taking actions prohibited by the foregoing or the Bankruptcy Code on account of transactions contemplated by the Plan.

(b) If there is an Assumption Dispute pertaining to assumption of an Executory Contract or Unexpired Lease (other than a dispute pertaining to a Cure Amount), such dispute shall be heard by the Bankruptcy Court prior to such assumption being effective; *provided* that the Debtors or the Reorganized Debtors, as applicable, may settle any dispute regarding the Cure Amount or the nature thereof without any further notice to any party or any action, order, or approval of the Bankruptcy Court, except that such settlement shall be with the consent of the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA).

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 132 of 252

(c) To the extent an Assumption Dispute relates solely to the Cure Amount, the Debtors may assume and/or assume and assign the applicable Executory Contract or Unexpired Lease prior to the resolution of the Assumption Dispute; *provided* that the Debtors or the Reorganized Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure Amount by the non-Debtor party to such Executory Contract or Unexpired Lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and the applicable Reorganized Debtor).

(d) Subject to resolution of any dispute regarding any Cure Amount, all Cure Amounts shall be satisfied promptly, or otherwise as soon as practicable, by the Debtors or Reorganized Debtors, as the case may be, upon assumption or assumption and assignment, as applicable, of the underlying Executory Contracts and Unexpired Leases. Assumption or assumption and assignment, as applicable, of any Executory Contract or Unexpired Lease pursuant to the Plan, or otherwise, shall result in the full and final satisfaction, settlement, release, and discharge of any Claims or defaults, subject to satisfaction of the Cure Amount, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the effective date of the assumption or assumption and assignment, as applicable. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed or assumed and assigned, as applicable, shall be deemed disallowed and expunged, without further notice to or action, order or approval of the Bankruptcy Court or any other Entity, upon the deemed assumption of such Executory Contract or Unexpired Lease.

8.3. *Rejection Claims.*

Unless otherwise provided by an order of the Bankruptcy Court, Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be Filed with the Bankruptcy Court by the later of thirty (30) days from (i) the date of entry of an order of the Bankruptcy Court approving such rejection, (ii) the effective date of the rejection of such Executory Contract or Unexpired Lease, and (iii) the Effective Date. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be Disallowed pursuant to the Confirmation Order or such other order of the Bankruptcy Court, as applicable, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, the Reorganized Debtors, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules, if any, or a Proof of Claim to the contrary.** Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and may be objected to in accordance with the provisions of section 7.2 of the Plan and applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

8.4. *Survival of the Debtors' Indemnification Obligations.*

(a) Notwithstanding anything in the Plan (including section 10.3 of the Plan), all Indemnification Obligations shall (i) remain in full force and effect, (ii) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the Confirmation Order, (iii) not be limited, reduced or terminated after the Effective Date, and (iv) survive unimpaired and unaffected irrespective of whether such Indemnification Obligation is owed for an act or event occurring before, on or after the Petition Date; *provided* that the Reorganized Debtors shall not indemnify officers, directors, members, or managers, as applicable, of the Debtors for any claims or Causes of Action that are not indemnified by such Indemnification Obligation. All such obligations shall be deemed and treated as

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 133 of 252

Executory Contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Reorganized Debtors. Any Claim based on the Debtors' Indemnification Obligations shall not be a Disputed Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy Code.

(b) In accordance with the foregoing, the Reorganized Debtors shall cooperate with current and former officers, directors, members, managers, agents, or employees in relation to the Indemnification Obligations assumed under the Plan, including responding to reasonable requests for information and providing access to attorneys, financial advisors, accountants, and other professionals with knowledge of matters relevant to any such claim covered by an Indemnification Obligation assumed under the Plan, including any claim or Cause of Action arising under any state or federal securities laws.

8.5. *Employee Arrangements and Employee Obligations.*

(a) With respect to the KERPs, any amounts outstanding pursuant to the terms and conditions of the individual participants' KERP agreements shall be paid to such KERP participants within fifteen (15) days following the Effective Date, in accordance with the terms of such KERP agreements, consistent with the KERP Order and Supplemental KERP Order and in full satisfaction of the Debtors' obligations under such KERP agreements.

(b) Unless otherwise listed on the Schedule of Rejected Contracts, all employment agreements and offer letters shall be deemed assumed on the Effective Date as Executory Contracts pursuant to sections 365 and 1123 of the Bankruptcy Code (which assumption shall include any modifications to such employment agreements). Any such assumption shall not trigger any applicable change of control, immediate vesting, termination, or similar provisions therein, including, e.g., any right to severance pay in connection with a change in control. No participant shall have rights under the assumed Employee Arrangements other than those existing immediately before such assumption (with respect to services performed prior to the Effective Date); *provided* that new rights may arise relating to the performance of services on or after the Effective Date pursuant to the terms of such assumed Employee Arrangements (e.g., go-forward salary and bonus) and any vesting of rights under such Employee Arrangements will be recognized as continuous through the Effective Date (e.g., annual bonus for calendar year 2023).

(c) As of the Effective Date, the Equity Incentive Plans will be terminated as to the issuance of any new equity awards under the plan and no new equity awards may be granted under the Equity Incentive Plans. Outstanding awards under the Equity Incentive Plans will be treated as follows:

- (i) *Restricted Stock.* Restricted Stock shall be Existing Common Interests treated in accordance with Class 12; *provided* that, as set forth in section 4.12 hereof, any New Common Interests distributed to Holders on account of Unvested Restricted Stock shall be subject to the same restrictions/vesting conditions applicable to such Unvested Restricted Stock as of the Effective Date. Consistent with the Equity Incentive Plans, for any Vested Restricted Stock for which tax withholding obligations have not been satisfied, the Debtors may reduce the number of New Equity Interests that would otherwise be deliverable as Plan Distributions on account of such Restricted Stock and pay the equivalent cash amount to the applicable tax authorities in respect of such tax obligations.
- (ii) *Vested RSUs.* Vested RSUs shall be deemed settled as of immediately prior to the Effective Date and shall be Existing Common Interests treated in accordance with Class 12. Consistent with the Equity Incentive Plans, for any Vested RSUs for which tax withholding obligations have not been satisfied, the Debtors may reduce the

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 134 of 252

number of New Equity Interests that would otherwise be deliverable as Plan Distributions on account of such Vested RSUs and pay the equivalent cash amount to the applicable tax authorities in respect of such tax obligations.

- (iii) *Unvested RSUs.* RSU Award Agreements shall be treated as Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code; *provided*, that the Unvested RSUs shall be the only outstanding RSUs under such RSU Award Agreements on the Effective Date (consistent with (b)(ii), above); *provided further*, that such RSU Award Agreements shall be subject to adjustment by the current Board of Directors of Debtor Core Scientific, Inc. such that the number of New Common Interests deliverable on account of Unvested RSUs, if and when such Unvested RSUs vest, shall be reduced such that it is equal to the proportion of New Common Interests that Holders of Existing Common Interests receive as Plan Distributions on account of their Existing Common Interests (in accordance with the treatment prescribed to Class 12 in section 4.12(b)(i) hereof) as compared to all New Common Interests distributed to all Holders of Claims and Interests under the Plan. Consistent with the Equity Incentive Plans, as and when the Unvested RSUs vest, to satisfy the holder's withholding tax obligations, the Debtors may reduce the number of New Common Interests that would otherwise be deliverable on account of the assumed RSU Award Agreement and pay the equivalent cash amount to the applicable tax authorities in respect of such tax obligations. On the Effective Date, the Reorganized Debtors shall issue and reserve as treasury stock New Common Interests in an amount sufficient to issue to Holders of Unvested RSUs assuming that all Unvested RSUs will vest, which New Common Interests shall be distributed to the Holders of Unvested RSUs if and when such Unvested RSUs vest; *provided*, that any New Common Interests distributable to Holders of Unvested RSUs which are later forfeited pursuant to the terms and conditions of the applicable RSU Award Agreement shall be distributed annually, on a Pro Rata Equity Share basis, to the Holders of Claims and Interests in Class 11 and Class 12.

- (iv) *Stock Options.* Stock Option Award Agreements shall be treated as Executory Contracts under the Plan and deemed assumed on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code; *provided* that such Stock Option Award Agreements shall be subject to adjustment by the current Board of Directors of Debtor Core Scientific, Inc. such that the aggregate number of New Common Interests deliverable if all Stock Options subject to the Stock Option Award Agreement were exercised shall be reduced such that it is equal to the proportion of New Common Interests that Holders of Existing Common Interests receive as Plan Distributions on account of their Existing Common Interests (in accordance with the treatment prescribed to Class 12 in section 4.12(b)(i) hereof) as compared to all New Common Interests distributed to all Holders of Claims and Interests under the Plan. On the Effective Date, the Reorganized Debtors shall issue and reserve as treasury stock New Common Interests in an amount sufficient to issue to Holders of Stock Options assuming that all such Stock Options are exercised, which New Common Interests shall be distributed to the Holders of Stock Options if and when such Stock Options are exercised; *provided*, that any New Common Interests distributable to Holders of Stock Options which are later forfeited pursuant to the terms and conditions of the applicable Stock Option Award Agreement shall be distributed annually, on a Pro Rata Equity Share basis, to the Holders of Claims and Interests in Class 11 and Class 12.

(d) As of the Effective Date, the Debtors and the Reorganized Debtors shall continue to honor their obligations under all applicable Workers' Compensation Programs and in accordance with all applicable workers' compensation Laws in states in which the Reorganized Debtors operate. Any Claims arising under Workers' Compensation Programs shall be deemed withdrawn once satisfied without any further notice to or action, order, or approval of the Bankruptcy Court; *provided* that nothing in this Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable Law, including non-bankruptcy Law, with respect to any such Workers' Compensation Programs; *provided, further*, that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable state Law.

(e) With respect to any Employee Arrangements that are Executory Contracts and are not otherwise addressed in this section 8.5 or listed on the Schedule of Rejected Contracts, all such Employee Arrangements shall be deemed assumed on the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code; *provided*, that any Employee Arrangements that provide for or contemplate (in whole or in part) rights to Interests (whether actual or contingent) shall not be assumed pursuant to this section 8.5(e).

(f) With respect to any Employee Arrangements that are not Executory Contracts and are not otherwise addressed in this section 8.5, all such Employee Arrangements shall be continued in the ordinary course of business following the Effective Date; *provided*, that any Employee Arrangements that provide for or contemplate (in whole or in part) rights to Interests (whether actual or contingent) shall not be continued as a result of this section 8.5(f). For the avoidance of doubt, the Equity Incentive Plans will remain effective with respect to assumed RSU Award Agreements and Stock Option Award Agreements.

8.6. *Insurance Policies/Claims Payable By Third Parties.*

(a) All insurance policies to which any Debtor is a party as of the Effective Date, including any D&O Policy, shall be deemed to be and treated as Executory Contracts and shall be assumed by the applicable Debtors or the Reorganized Debtors and shall continue in full force and effect thereafter in accordance with their respective terms, and all such insurance policies shall vest in the Reorganized Debtors. Coverage for defense and indemnity under the D&O Policy shall remain available to all individuals within the definition of "Insured Persons" in any D&O Policy.

(b) In addition, after the Effective Date, all officers, directors, agents, or employees who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any D&O Policy (including any "tail" policy) for the full term of such policy regardless of whether such officers, directors, agents, and/or employees remain in such positions after the Effective Date, in each case, to the extent set forth in such policies.

(c) In addition, after the Effective Date, the Reorganized Debtors shall not terminate or otherwise reduce the coverage under any D&O Policy (including any "tail policy") in effect as of the Petition Date, and any current and former directors, officers, members, managers, agents or employees of any of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such D&O Policy for the full term of such policy regardless of whether such members, managers, directors, and/or officers remain in such positions after the Effective Date to the extent set forth in such policies.

(d) In the event that the Debtors determine that an Allowed Claim is covered in full or in part under one of the Debtors' insurance policies, no distributions under the Plan shall be made on account of such Allowed Claim unless and until, and solely to the extent that, (i) the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy, and (ii) an insurer authorized to issue a coverage position under such insurance policy, or the agent of such insurer, issues a formal determination,

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 136 of 252

which the Debtors in their sole discretion do not contest, that coverage under such insurance policy is excluded or otherwise unavailable for losses arising from such Allowed Claim. Any proceeds available pursuant to one of the Debtors' insurance policies shall reduce the Allowed amount of a Claim on a dollar-for-dollar basis. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court. If an applicable insurance policy has a SIR, the Holder of an Insured Litigation Claim shall have an Allowed General Unsecured Claim or a Section 510(b) Claim, as applicable, against the applicable Debtor's Estate solely up to the amount of the SIR that may be established upon the liquidation of the Insured Litigation Claim. Such SIR shall be considered satisfied pursuant to the Plan through allowance of the General Unsecured Claim or Section 510(b) Claim, as applicable, solely in the amount of the applicable SIR, if any; *provided*, however that nothing herein obligates the Debtors or the Reorganized Debtors to otherwise satisfy any SIR under any insurance policy. Any recovery on account of the Insured Litigation Claim in excess of the SIR established upon the liquidation of the Claim shall be recovered solely from the Debtors' insurance coverage, if any, and only to the extent of available insurance coverage and any proceeds thereof. Nothing in this Plan shall be construed to limit, extinguish, or diminish the insurance coverage that may exist or shall be construed as a finding that liquidated any Claim payable pursuant to an insurance policy. Nothing herein relieves any Entity from the requirement to timely File a Proof of Claim by the applicable claims bar date.

8.7. Intellectual Property Licenses and Agreements.

All intellectual property contracts, licenses, royalties, or other similar agreements to which the Debtors have any rights or obligations in effect as of the date of the Confirmation Order shall be deemed and treated as Executory Contracts pursuant to the Plan and shall be assumed by the respective Debtors and Reorganized Debtors and shall continue in full force and effect unless any such intellectual property contract, license, royalty, or other similar agreement otherwise is specifically rejected pursuant to a separate order of the Bankruptcy Court or is the subject of a separate rejection motion Filed by the Debtors in accordance with the Plan. Unless otherwise noted hereunder, all other intellectual property contracts, licenses, royalties, or other similar agreements shall vest in the Reorganized Debtors and the Reorganized Debtors may take all actions as may be necessary or appropriate to ensure such vesting as contemplated herein.

8.8. Assignment.

To the extent provided under the Bankruptcy Code or other applicable law, any Executory Contract or Unexpired Lease transferred and assigned hereunder shall remain in full force and effect for the benefit of the transferee or assignee in accordance with its terms, notwithstanding any provision in such Executory Contract or Unexpired Lease (including, without limitation, those of the type set forth in section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such transfer or assignment. To the extent provided under the Bankruptcy Code or other applicable law, any provision that prohibits, restricts, or conditions the assignment or transfer of any such Executory Contract or Unexpired Lease or that terminates or modifies such Executory Contract or Unexpired Lease or allows the counterparty to such Executory Contract or Unexpired Lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment, constitutes an unenforceable anti-assignment provision and is void and of no force or effect.

8.9. *Modifications, Amendments, Supplements, Restatements, or Other Agreements.*

Unless otherwise provided herein or by separate order of the Bankruptcy Court, each Executory Contract and Unexpired Lease that is assumed shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such Executory Contract or Unexpired Lease, without regard to whether such agreement, instrument, or other document is listed in the Schedule of Assumed Contracts.

8.10. *Reservation of Rights.*

(a) Neither the exclusion nor inclusion of any contract or lease by the Debtors on any exhibit, schedule, or other annex to the Plan or in the Plan Supplement, nor anything contained in the Plan, will constitute an admission by the Debtors that any such contract or lease is or is not in fact an Executory Contract or Unexpired Lease or that the Debtors or the Reorganized Debtors or their respective Affiliates has any liability thereunder.

(b) Except as otherwise provided in the Plan, nothing in the Plan will waive, excuse, limit, diminish, or otherwise alter any of the defenses, Claims, Causes of Action, or other rights of the Debtors or the Reorganized Debtors under any executory or non-Executory Contract or any unexpired or expired lease.

(c) Nothing in the Plan will increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors under any executory or non-Executory Contract or any unexpired or expired lease.

(d) If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection under the Plan, the Debtors or Reorganized Debtors, as applicable, shall have sixty (60) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease by filing a notice indicating such altered treatment.

9.2. *Timing of Conditions Precedent.*

Notwithstanding when a condition precedent to the Effective Date occurs, unless otherwise specified in the Plan or any Plan Supplement document, for the purposes of the Plan, such condition precedent shall be deemed to have occurred simultaneously upon the completion of the applicable conditions precedent to the Effective Date; *provided* that to the extent a condition precedent (the “**Prerequisite Condition**”) may be required to occur prior to another condition precedent (a “**Subsequent Condition**”) then, for purposes of the Plan, the Prerequisite Condition shall be deemed to have occurred immediately prior to the applicable Subsequent Condition regardless of when such Prerequisite Condition or Subsequent Condition shall have occurred.

9.3. *Waiver of Conditions Precedent.*

9.4. *Effect of Failure of a Condition.*

If the Effective Date does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall (i) constitute a waiver or release of any Claims by or against or any Interests in the Debtors, (ii) prejudice in any manner the rights of any Person, or (iii) constitute an admission, acknowledgement, offer, or undertaking by the Debtors or any other Person.

ARTICLE X. EFFECT OF CONFIRMATION OF PLAN.

10.1. *Vesting of Assets in the Reorganized Debtors.*

Except as otherwise provided in the Plan or any Plan Document, on the Effective Date, pursuant to section 1141(b) and (c) of the Bankruptcy Code, all Assets of the Estates, including all claims, rights, and Causes of Action and any property acquired by the Debtors under or in connection with the Plan, shall vest in each respective Reorganized Debtor free and clear of all Liens, Claims, charges, or other interests or encumbrances unless expressly provided otherwise by the Plan or Confirmation Order. In addition, all rights, benefits, and protections provided to any of the Creditors’ Committee, the Debtors, or their Estates pursuant to the Plan, the Plan Supplement, or the Confirmation Order including, but not limited to, the release, exculpation, and injunction provisions provided in Article X of the Plan, shall vest in each respective Reorganized Debtor unless expressly provided otherwise by the Plan or the Confirmation Order. On and after the Effective Date, except as otherwise provided herein, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and pursue, compromise or settle any Claims (including any Administrative Expense Claims), Interests, and Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 140 of 252

the Effective Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court.

10.2. *Binding Effect.*

As of the Effective Date, the Plan shall bind all Holders of Claims against and Interests in the Debtors and their respective successors and assigns, notwithstanding whether any such Holders were (a) Impaired or Unimpaired under the Plan, (b) deemed to accept or reject the Plan, (c) failed to vote to accept or reject the Plan, or (d) voted to reject the Plan.

10.3. *Discharge of Claims and Termination of Interests.*

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in a contract, instrument, or other agreement or document executed pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in full and final satisfaction, settlement, release, and discharge, effective as of the Effective Date, of all Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and interests in, the Debtors or any of their Assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not (i) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (ii) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (iii) the Holder of such a Claim or Interest has voted to accept the Plan. Any default or “event of default” by the Debtors with respect to any Claim or Interest that existed immediately before or on account of the filing of the Chapter 11 Cases shall be deemed cured (and no longer continuing) as of the Effective Date with respect to a Claim that is Unimpaired by the Plan. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

10.4. *Term of Injunctions or Stays.*

Unless otherwise provided herein or in a Final Order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Cases under section 105 or 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay. For the avoidance of doubt, the Trading Order shall remain enforceable beyond the Effective Date. The Trading Order has no applicability or effect with respect to the trading of New Common Interests, New Secured Convertible Notes, or New Secured Notes.

10.5. *Injunction.*

Except as otherwise expressly provided in the Plan or for distributions required to be paid or delivered pursuant to the Plan or the Confirmation Order, all Entities that have held, hold, or may hold Claims or Interests that have been released pursuant to Section 10.6(a) or Section 10.6(b), shall be discharged pursuant to Section 10.3 of the Plan, or are subject to exculpation pursuant to Section 10.7, and all Subcontractors and all other parties in interest are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Released Parties, and/or the Exculpated

Parties (to the extent of the exculpation provided pursuant to Section 10.7 with respect to the Exculpated Parties): (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (iii) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless (x) such Entity has timely asserted such setoff right either in a Filed Proof of Claim, or in another document Filed with the Bankruptcy Court explicitly preserving such setoff or that otherwise indicates that such entity asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise or (y) such right to setoff arises under a postpetition agreement with the Debtors or an Executory Contract that has been assumed by the Debtors as of the Effective Date; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released, settled, and/or treated, entitled to a distribution, or cancelled pursuant to the Plan or otherwise Disallowed; *provided* that such persons who have held, hold, or may hold Claims against, or Interests in, a Debtor, a Reorganized Debtor, or an Estate shall not be precluded from exercising their rights and remedies, or obtaining the benefits, solely pursuant to and consistent with the terms of the Plan.

Subject in all respects to Section 11.1, no entity or person may commence or pursue a Claim or Cause of Action of any kind against any Released Party or Exculpated Party that arose or arises from, in whole or in part, the Chapter 11 Cases, the Debtors, the governance, management, transactions, ownership, or operation of the Debtors, the purchase, sale or rescission of any security of the Debtors or the Reorganized Debtors (which includes, for the avoidance of doubt, all claims and Causes of Action asserted or assertable in the Securities Class Action), the DIP Facility, the Convertible Notes Agreements, the Miner Equipment Lender Agreements, the Mortgage Agreements, the General Contracts, any and all agreements relating to M&M Liens, and any and all related agreements, instruments, and/or other documents, the formulation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Plan (including the Plan Supplement), the Disclosure Statement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Plan, the Plan Supplement, the Disclosure Statement, the Plan Settlements, the New Secured Convertible Notes Documents, the New Secured Notes Documents, the Contingent Payment Obligations Documents, the New Miner Equipment Lender Debt Documents, the Exit Facility Documents, the New Warrants Agreement, the Rights Offering, the Backstop Commitment Letter, the Initial DIP Loan Documents, the DIP Facility, the Terminated RSA, the RSA, the Chapter 11 Cases, the pursuit of confirmation and consummation of the Plan, the administration and implementation of the Plan or Confirmation Order, including the issuance or distribution of securities pursuant to the Plan (including, but not limited to, the New Common Interests), or the distribution of property under the Plan, or any other agreement, act or omission, transaction, event, or other occurrence taking place on or before the Effective Date related or relating to the foregoing without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action represents a claim of willful misconduct, fraud or gross negligence against a Released Party or Exculpated Party and (ii) specifically authorizing such Entity or Person to bring such Claim or Cause of Action against any such Released Party or Exculpated Party. The Bankruptcy Court shall have sole and exclusive jurisdiction to determine whether a

Claim or Cause of Action is colorable and, only to the extent legally permissible and as provided for in Section 11.1, shall have jurisdiction to adjudicate the underlying colorable Claim or Cause of Action.

10.6. ***Releases.***

(a) **Releases by the Debtors.**

Notwithstanding anything contained in the Plan to the contrary, as of the Effective Date, pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, the adequacy of which is hereby confirmed, including the obligations of the Debtors under the Plan and the contributions of the Released Parties to facilitate and implement the Plan, except as otherwise provided in the Plan or in the Confirmation Order, on and after the Effective Date, the Released Parties are deemed conclusively, absolutely, unconditionally and irrevocably, released and discharged by the Debtors, the Reorganized Debtors, and the Estates from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that the Debtors, the Reorganized Debtors, the Estates, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Chapter 11 Cases, the Debtors, the governance, management, transactions, ownership, or operation of the Debtors, the purchase, sale or rescission of any security of the Debtors or the Reorganized Debtors (which includes, for the avoidance of doubt, all claims and Causes of Action asserted or assertable in the Securities Class Action), the DIP Facility, the Convertible Notes Agreements, the Miner Equipment Lender Agreements, the Mortgage Agreements, the General Contracts, any and all agreements relating to M&M Liens, the formulation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Plan (including the Plan Supplement), the Disclosure Statement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Plan, the Plan Supplement, the Disclosure Statement, the Plan Settlements, the New Secured Convertible Notes Documents, the New Secured Notes Documents, the Contingent Payment Obligations Documents, the New Miner Equipment Lender Debt Documents, the Exit Facility Documents, the New Warrants Agreement, the Rights Offering, the Backstop Commitment Letter, the Initial DIP Loan Documents, the DIP Facility, the Terminated RSA, the RSA, the Chapter 11 Cases, the pursuit of confirmation and consummation of the Plan, the administration and implementation of the Plan or Confirmation Order, including the issuance or distribution of securities pursuant to the Plan (including, but not limited to, the New Common Interests), or the distribution of property under the Plan, or any other agreement, act or omission, transaction, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth in this Section 10.6(a) (i) shall only be applicable to the maximum extent permitted by law; (ii) shall not be construed as (a) releasing any Released Party from Claims or Causes of Action arising from an act or omission that is judicially determined by a Final Order to have constituted actual fraud (*provided* that actual fraud shall not exempt from the scope of these Debtor releases any Claims or Causes of Action arising under sections 544 or 548 of the Bankruptcy Code or state laws governing fraudulent or otherwise avoidable transfers or conveyances), willful misconduct, or gross negligence, (b) releasing any Released Party from Claims or Causes of Action held by the Debtors arising from an act or omission that is determined by a Final Order or by a federal government agency to have constituted a violation

of any federal securities laws or (c) releasing any post-Effective Date obligations of any party or Entity under the Plan, the Confirmation Order, any Restructuring Transaction, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

(b) **Releases by Holders of Claims and Interests.**

Notwithstanding anything contained in the Plan to the contrary, as of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, except as otherwise provided in the Plan or in the Confirmation Order, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, each Releasing Party, shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released, and discharged the Debtors, the Reorganized Debtors, and the Released Parties from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims or Causes of Action asserted or that may be asserted on behalf of the Debtors or their Estates, that such Entity would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, based on or relating to, or in any manner arising from, in whole or in part, any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, including any Claims or Causes of Action based on or relating to, or in any manner arising from, in whole or in part, the Chapter 11 Cases, the Debtors, the governance, management, transactions, ownership, or operation of the Debtors, the purchase, sale or rescission of any security of the Debtors or the Reorganized Debtors (which includes, for the avoidance of doubt, all claims and Causes of Action asserted or assertable in the Securities Class Action), the DIP Facility, the Convertible Notes Agreements, the Miner Equipment Lender Agreements, the Mortgage Agreements, the General Contracts, any and all agreements relating to M&M Liens, the formulation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Plan (including the Plan Supplement), the Disclosure Statement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Plan, the Plan Supplement, the Disclosure Statement, the Plan Settlements, the New Secured Convertible Notes Documents, the New Secured Notes Documents, the Contingent Payment Obligations Documents, the New Miner Equipment Lender Debt Documents, the Exit Facility Documents, the New Warrants Agreement, the Rights Offering, the Backstop Commitment Letter, the Initial DIP Loan Documents, the DIP Facility, the Terminated RSA, the RSA, the Chapter 11 Cases, the pursuit of confirmation and consummation of the Plan, the administration and implementation of the Plan or Confirmation Order, including the issuance or distribution of securities pursuant to the Plan (including, but not limited to, the New Common Interests), or the distribution of property under the Plan, or any other agreement, act or omission, transaction, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth in this Section 10.6(b) (i) shall only be applicable to the maximum extent permitted by law; and (ii) shall not be construed as (a) releasing any Released Party from Claims or Causes of Action arising from an act or omission that is judicially determined by a Final Order to have constituted actual fraud (*provided* that actual fraud shall not exempt from the scope of these third-party releases any Claims or Causes of Action arising under sections 544 or 548 of the Bankruptcy Code or state laws governing fraudulent or otherwise avoidable transfers or conveyances), willful misconduct, or gross negligence, or (b) releasing any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring

10.7. *Exculpation.*

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur liability for, and each Exculpated Party is hereby released and exculpated from, any Cause of Action for any claim related to any act or omission in connection with, relating to, or arising out, in whole or in part, from the Petition Date through the Effective Date, of the Chapter 11 Cases, the Debtors, the governance, management, transactions, ownership, or operation of the Debtors, the purchase, sale or rescission of any security of the Debtors or the Reorganized Debtors, the DIP Facility, the Convertible Notes Agreements, the Miner Equipment Lender Agreements, the Mortgage Agreements, the General Contracts, any and all agreements relating to M&M Liens, and related agreements, instruments, or other documents, the formulation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Plan (including the Plan Supplement), the Disclosure Statement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Plan, the Plan Supplement, the Disclosure Statement, the Plan Settlements, the New Secured Convertible Notes Documents, the New Secured Notes Documents, the Contingent Payment Obligations Documents, the New Miner Equipment Lender Debt Documents, the Exit Facility Documents, the New Warrants Agreement, the Rights Offering, the Backstop Commitment Letter, the Initial DIP Loan Documents, the DIP Facility, the Terminated RSA, the RSA, the Chapter 11 Cases, the pursuit of confirmation and consummation of the Plan, the administration and implementation of the Plan or Confirmation Order, including the issuance or distribution of securities pursuant to the Plan (including, but not limited to, the New Common Interests), or the distribution of property under the Plan, or any other related agreement, except for Claims or Causes of Action arising from an act or omission that is judicially determined in a Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects, such Exculpated Parties shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities. The Exculpated Parties have, and upon completion of the Plan, shall be deemed to have, participated in good faith and in compliance with all applicable laws with regard to the solicitation and distribution of, consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. Notwithstanding anything to the contrary in the foregoing, the exculpations set forth in this Section 10.7 (i) shall only be applicable to the maximum extent permitted by law; and (ii) shall not be construed as (a) exculpating any Exculpated Party from Claims or Causes of Action arising from an act or omission that is judicially determined by a Final Order to have constituted actual fraud (*provided* that actual fraud shall not exempt from the scope of these exculpations any Claims or Causes of Action arising under sections 544 or 548 of the Bankruptcy Code or state laws governing fraudulent or otherwise avoidable transfers or conveyances), willful misconduct, or gross negligence, or (b) exculpating any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

10.9. *Ipsa Facto and Similar Provisions Ineffective.*

Any term of any prepetition policy, prepetition contract, or other prepetition obligation applicable to a Debtor shall be void and of no further force or effect with respect to any Debtor to the extent that such policy, contract, or other obligation is conditioned on, creates an obligation of the Debtor as a result of, or gives rise to a right of any Entity based on any of the following: (a) the insolvency or financial condition of a Debtor; (b) the commencement of the Chapter 11 Cases; (c) the Confirmation or consummation of the Plan, including any change of control that shall occur as a result of such consummation; or (d) the restructuring.

11.2. *Courts of Competent Jurisdiction.*

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

ARTICLE XII. MISCELLANEOUS PROVISIONS.12.1. *Payment of Statutory Fees.*

All fees due and payable pursuant to 28 U.S.C. § 1930(a) prior to the Effective Date shall be paid by the Debtors in full in Cash on the Effective Date. The Debtors shall File all monthly operating reports through the Effective Date. On and after the Effective Date, the Reorganized Debtors or any Disbursing Agent shall pay any and all such fees in full in Cash when due and payable, and shall File with the Bankruptcy Court quarterly reports in a form reasonably acceptable to the U.S. Trustee. Each Debtor or Reorganized Debtor, as applicable, shall remain obligated to pay quarterly fees to the U.S. Trustee until the earliest of that particular Debtor's, or Reorganized Debtor's, as applicable, case being closed, dismissed, or converted to a case under chapter 7 of the Bankruptcy Code. Notwithstanding anything to the contrary herein, the U.S. Trustee shall not be required to File a Proof of Claim or any other request for payment of quarterly fees.

12.2. *Substantial Consummation of the Plan.*

On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

12.3. *Request for Expedited Determination of Taxes.*

The Debtors and the Reorganized Debtors shall have the right to request an expedited determination under section 505(b) of the Bankruptcy Code with respect to tax returns filed, or to be filed, for any and all taxable periods ending after the Petition Date through the Effective Date.

12.4. *Exemption from Certain Transfer Taxes.*

Pursuant to section 1146 of the Bankruptcy Code, (i) the issuance, transfer or exchange of any securities, instruments or documents, (ii) the creation, filing or recording of any Lien, mortgage, deed of trust, or other security interest, (iii) the making, assignment, filing or recording of any lease or sublease or the making or delivery of any deed, bill of sale, assignment or other instrument of transfer under, pursuant to, in furtherance of, or in connection with the Plan, including, without limitation, any deeds, bills of sale, or assignments executed in connection with any of the transactions contemplated under the Plan or the reinvesting, transfer, or sale of any real or personal property of the Debtors pursuant to, in implementation of or as contemplated in the Plan and Restructuring Transactions Exhibit (whether to one or more of the Reorganized Debtors or otherwise), (iv) the grant of collateral under the New Secured Convertible Notes Documents, the New Secured Notes Documents, the New Miner Equipment Lender Debt Documents, the M&M Lien Takeback Debt, the Mortgage Takeback Debt, and the Exit Facility, and (v) the issuance, renewal, modification, or securing of indebtedness by such means, and the making, delivery or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including, without limitation, the Confirmation Order, shall constitute a "transfer under a plan" within the purview of section 1146 of the Bankruptcy Code and shall not be subject to or taxed under any law imposing any document recording tax, stamp tax, conveyance fee, or other similar tax, mortgage tax, real estate

transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, sales tax, use tax, or other similar tax or governmental assessment. Consistent with the foregoing, each recorder of deeds or similar official for any county, city, or governmental unit in which any instrument hereunder is to be recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such instrument without requiring the payment of any filing fees, documentary stamp tax, deed stamps, stamp tax, transfer tax, intangible tax, or similar tax.

12.5. *Amendments.*

(a) *Plan Modifications.* The Plan may be amended, modified, or supplemented by the Debtors in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code; *provided*, that the Plan may only be amended, modified, or supplemented with the consent of the Requisite Consenting Creditors and the Equity Committee (with respect to any provisions affecting the rights or recovery of Holders of Existing Common Interests) (subject to the parties' rights and obligations under the RSA). In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of Holders of Allowed Claims or Existing Common Interests pursuant to the Plan or the Rights Offering, the Debtors may remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order with respect to such matters as may be necessary to carry out the purposes of effects of the Plan, and any Holder of a Claim or Interest that has accepted the Plan shall be deemed to have accepted the Plan as amended, modified, or supplemented.

(b) *Other Amendments.* Prior to the Effective Date, the Debtors may make appropriate technical adjustments and modifications to the Plan and the documents contained in the Plan Supplement without further order or approval of the Bankruptcy Court; *provided*, that such adjustments or modifications may only be made with the consent of the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA).

12.6. *Effectuating Documents and Further Transactions.*

Each of the officers of the Reorganized Debtors is authorized, in accordance with his or her authority under the resolutions of the applicable member(s), board of directors or managers, to execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

12.7. *Revocation or Withdrawal of the Plan.*

The Debtors reserve the right to revoke or withdraw the Plan prior to the Effective Date as to any or all of the Debtors. If, with respect to a Debtor, the Plan has been revoked or withdrawn prior to the Effective Date, or if Confirmation or the occurrence of the Effective Date as to such Debtor does not occur on the Effective Date, then, with respect to such Debtor: (i) the Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount any Claim or Interest or Class of Claims or Interests), assumption of Executory Contracts or Unexpired Leases affected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (iii) nothing contained in the Plan shall (a) constitute a waiver or release of any Claim by or against, or any Interest in, such Debtor or any other Person, (b) prejudice in any manner the rights of such Debtor or any other Person, or (c) constitute an admission of any sort by any Debtor or any other Person.

12.8. ***Severability of Plan Provisions.***

If, before the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted, provided that any such alteration or interpretation shall be acceptable to the Debtors and the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA). Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (i) valid and enforceable pursuant to its terms, (ii) integral to the Plan and may not be deleted or modified without the consent of the Debtors or the Reorganized Debtors (as the case may be) and the Requisite Consenting Creditors (subject to the parties' rights and obligations under the RSA), and (iii) nonseverable and mutually dependent.

12.9. ***Governing Law.***

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent a Plan Document provides otherwise, the rights, duties, and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without giving effect to the principles of conflict of laws thereof.

12.10. ***Time.***

In computing any period of time prescribed or allowed by the Plan, unless otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

12.11. ***Dates of Actions to Implement the Plan.***

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

12.12. ***Immediate Binding Effect.***

Notwithstanding any Bankruptcy Rule providing for a stay of the Confirmation Order or Plan, including Bankruptcy Rules 3020(e), 6004(h), 7062, or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and Plan Supplement shall be immediately effective and enforceable and deemed binding upon and inure to the benefit of the Debtors, the Holders of Claims and Interests, the Released Parties, each of their respective successors and assigns, including, without limitation, the Reorganized Debtors, all Entities that are parties to or are subject to the settlements, compromises, releases, and injunctions described in the Plan, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the Debtors. All Claims shall be as fixed, adjusted, or compromised, as applicable, pursuant to the Plan regardless of whether any Holder of a Claim, Interest, or debt has voted on the Plan.

12.13. *Deemed Acts.*

Subject to and conditioned on the occurrence of the Effective Date, whenever an act or event is expressed under the Plan to have been deemed done or to have occurred, it shall be deemed to have been done or to have occurred without any further act by any party, by virtue of the Plan and the Confirmation Order.

12.14. *Successor and Assigns.*

The rights, benefits, and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor, or permitted assign, if any, of each Entity.

12.15. *Entire Agreement.*

On the Effective Date, the Plan, the Plan Supplement, and the Confirmation Order shall supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

12.16. *Exhibits to Plan.*

All exhibits, schedules, supplements, and appendices to the Plan (including the Plan Supplement) are incorporated into and are a part of the Plan as if set forth in full herein.

12.17. *Dissolution of Creditors' Committee and Equity Committee.*

On the Effective Date, any official committees appointed in the Chapter 11 Cases, including the Creditors' Committee and the Equity Committee, shall dissolve; *provided* that following the Effective Date, any such committees, including the Creditors' Committee and the Equity Committee, shall continue in existence solely for the purposes of (i) Filing and prosecuting applications for allowance of Professional Fee Claims and (ii) seeking removal of the committee as a party in interest in any proceeding on appeal. Upon the dissolution of any official committees appointed in the Chapter 11 Cases, including the Creditors' Committee and the Equity Committee, such committee members and their respective Professionals shall cease to have any duty, obligation, or role arising from or related to the Chapter 11 Cases and shall be released and discharged from all rights and duties from or related to the Chapter 11 Cases; *provided* that for the avoidance of doubt, any Claims or Causes of Action asserted by the Creditors' Committee or the Equity Committee, whether direct or derivative (including any Claims seeking declaratory judgments) shall be withdrawn with prejudice and/or vest in the Debtors' Estates, to be immediately fully and indefensibly released in accordance with section 10.6 of the Plan.

New Warrants Term Sheet

New Warrants Term Sheet

Set forth below is a high-level summary of certain key terms and conditions for each tranche of New Warrants (as defined below), to be issued pursuant to that certain joint chapter 11 plan, including all appendices, exhibits, schedules, and supplements thereto (including, without limitation, any appendices, schedules, and supplements to the Plan contained in the Plan Supplement), as the same may be amended, restated, amended and restated, supplemented, or otherwise modified from time to time in accordance with the provisions of the Bankruptcy Code and the terms thereof (the “Plan”), subject to the additional terms and conditions set forth in the RSA and the applicable Definitive Documents, by the Issuer (as defined below) to each holder of existing common stock (“Existing Common Interests”) issued by Core Scientific, Inc. (the “Company”) and holders of Allowed Section 510(b) Claims (as defined in the Plan). This Term Sheet does not purport to summarize all of the terms, conditions, representations and other provisions with respect to the transactions referred to herein, which will be set forth in the final agreements with respect to each tranche of New Warrants, and further determined in accordance with the RSA and the Plan. Capitalized terms used herein but not otherwise defined shall have the meanings given to such terms in the Plan.

<i>Issuer</i>	Reorganized Parent (the “ <u>Issuer</u> ”)
<i>Warrant Agent</i>	Computershare Trust Company, N.A.
<i>Tranche 1 Warrants</i>	A number of Tranche 1 warrants (the “ <u>Tranche 1 Warrants</u> ”) exercisable for the purchase of up to thirty percent (30%) of the New Common Interests, assuming no exercise of the Tranche 2 Warrants (as defined below) (subject to dilution to the extent of the exercise of the Tranche 2 Warrants).
<i>Tranche 2 Warrants</i>	A number of Tranche 2 warrants (the “ <u>Tranche 2 Warrants</u> ” and, together with the Tranche 1 Warrants, the “ <u>New Warrants</u> ”) initially exercisable for the purchase of up to twenty percent (20%) of the New Common Interests, on a fully diluted basis.
<i>Exercisability</i>	<p><i>Tranche 1 Warrants:</i> Exercisable at any time following the Effective Date of the Plan (the “<u>Issuance Date</u>”) through the applicable expiration date.</p> <p><i>Tranche 2 Warrants:</i> Exercisable at any time following a TEV Triggering Event through the applicable expiration date.</p> <p>“<u>TEV Triggering Event</u>” means the Issuer having a Total Enterprise Value (definition to be agreed) of or greater than \$2,500,000,000, calculated based on a 20-consecutive trading day VWAP of the New Common Interests.</p>
<i>Exercise Price</i>	<p><i>Tranche 1 Warrants:</i> The Tranche 1 Warrants will have an initial exercise price per share equal to the equity value of the Issuer implied by a Total Enterprise Value of \$1,875,000,000 (the “<u>Tranche 1 Initial Exercise Price</u>”).</p>

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 191 of 252

Tranche 2 Warrants: The Tranche 2 Warrants will have an exercise price per share equal to \$0.01 (the “Tranche 2 Exercise Price” and, each of the Tranche 1 Initial Exercise Price (as may be adjusted pursuant to the anti-dilution provisions below) and the Tranche 2 Exercise Price, an “Exercise Price”).

Expiration

The Tranche 1 Warrants will expire on the third anniversary of the Issuance Date; and the Tranche 2 Warrants will expire on the fifth anniversary of the Issuance Date.

Payment of Exercise Price

The issuance of New Common Interests pursuant to the exercise of the New Warrants shall be subject to payment in full by the holder of such New Warrant of the applicable Exercise Price by delivery of a certified or official bank check or by wire transfer of immediately available funds in the amount of the aggregate Exercise Price for such New Common Interests.

Alternatively, each Tranche 2 Warrant may be exercised on a “cashless” basis pursuant to which a holder shall be entitled to receive for each Tranche 2 Warrant exercised, a number of New Common Interests equal to such number of New Common Interests with respect to such Tranche 2 Warrant then being exercised multiplied by a fraction equal to (x) the Fair Market Value (as of the exercise date) of one New Common Interest, minus the applicable Exercise Price, divided by (y) such Fair Market Value. The definition of “Fair Market Value” shall be agreed among the Company, the Equity Committee, and the Requisite Consenting Creditors.

Anti-Dilution

The Tranche 1 Initial Exercise Price, in the case of the Tranche 1 Warrants, and the number of New Common Interests for which the Tranche 2 Warrants are exercisable, in the case of the Tranche 2 Warrants, will be subject to customary anti-dilution provisions for (i) stock splits, (ii) dividends consisting of New Common Interests, (iii) other stock subdivisions, combinations or reclassifications, (iv) rights offerings at discount, (v) tender offers or exchange offers at a premium, (vi) dividends or distributions to all holders of New Common Interests of capital stock (other than New Common Interests), indebtedness, rights or warrants to purchase capital stock (other than New Common Interests) or property or cash, (vii) mergers or consolidations and (viii) spin-offs, in each case, including customary exceptions and except any transaction constituting a Change of Control Event (as defined below) (such transactions in clauses (i) – (viii), each a “Specified Transaction”). For the avoidance of doubt, the Tranche 1 Initial Exercise Price shall not be adjusted in the event New Common Interests are issued as a result of the exercise of the Tranche 2 Warrants.

Notices of Certain Events

If the Issuer establishes a record date arising from any Specified Transaction that requires an adjustment to the New Warrants, the Issuer shall, to the extent permissible and practicable, use commercially reasonable efforts to notify the holders of New Warrants at least 10

days prior to such record date. In addition, at least 20 days before the date of any Specified Transaction requiring an adjustment to the New Warrants (other than a cash dividend), the Issuer shall, to the extent permissible and practicable, use commercially reasonable efforts to notify the holders of New Warrants of such event.

Change of Control/Black-Scholes Protection

For the Tranche 1 Warrants, in a Change of Control Event, Black-Scholes protections will apply with respect to any component of consideration payable in such Change of Control Event that is not freely tradeable stock that is listed on a national securities exchange (such freely tradeable, listed stock, “Stock Consideration”). With respect to the component of any consideration payable in respect thereof that is Stock Consideration, the exercise price of the Tranche 1 Warrants shall be adjusted and the Tranche 1 Warrants shall be assumed by the purchaser or continuing company or applicable parent entity thereof, and will remain outstanding as obligations thereof after the applicable transaction date.

For the Tranche 2 Warrants, in a Change of Control Event, Black-Scholes protections will apply with respect to any component of consideration payable in such Change of Control Event that is not Stock Consideration, as if the Tranche 2 Warrants had a per share exercise price calculated as if the Company had an enterprise value of \$2,100,000,000. With respect to the component of any consideration payable in respect thereof that is Stock Consideration in such Change of Control Event, the number of new Common Interests for which the Tranche 2 Warrants are exercisable and the exercise price shall be adjusted to a non-penny warrant as if the Company had an enterprise value of \$2,100,000,000, and the Tranche 2 Warrants shall be assumed by the purchaser or continuing company or applicable parent entity thereof and will remain outstanding as obligations thereof after the applicable transaction date. The calculation of applicable Black-Scholes protections will only apply to those Tranche 2 Warrants remaining outstanding at the time of the Change of Control Event (*i.e.*, while initially exercisable for the purchase of up to twenty percent (20%) of the New Common Interests on a fully diluted basis, this 20% figure shall be subject to reduction for any Tranche 2 Warrants exercised prior to the Change of Control Event).

“Change of Control Event” means the occurrence of any of the following: (i) the sale, lease, transfer, conveyance or other disposition (other than by way of merger, amalgamation or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Issuer and its subsidiaries taken as a whole to any Person or (ii) the consummation of any purchase offer, tender offer or exchange offer, or the Issuer consummates a stock or share purchase agreement or other business combination (including any merger or consolidation) the result of which is that any Person becomes the beneficial owner, directly or indirectly, of more than 50% of the voting stock of the Issuer, measured by voting power rather than number of shares.

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 193 of 252

“Person” means an individual or corporation, partnership, trust, incorporated or unincorporated association, joint venture, limited liability company, joint stock company, government (or an agency or subdivision thereof) or other entity of any kind.

For purposes of the Black-Scholes protections described herein, volatility shall be the lower of (i) sixty percent (60%) and (ii) the six-month realized volatility of the New Common Interests prior to the applicable transaction date. Further, a calculation agent acceptable to the Requisite Consenting Creditors will be named in the New Warrant Agreement to make the required Black-Scholes calculations.

Section 1145

The New Warrants, and the New Common Interests issuable thereunder, will be exempt from registration under the Securities Act of 1933 pursuant to Section 1145 of the Bankruptcy Code.

Non-Voting; No Dividends

The New Warrants shall not have any rights with respect to cash dividends and will not have any voting rights, in each case, unless and until exercised for New Common Interests, in which case holders will have the same rights to cash dividends and voting rights as holders of New Common Interests.

Amendments

Other than a Specified Transaction, Change of Control Event, or other transaction set out above, including, for the avoidance of doubt, the Black-Scholes protections, that requires an adjustment to the New Warrants, any amendment to the New Warrant Agreement shall require the approval of the holders of not less than a majority of the New Warrants; provided that (i) absent the written consent of each Holder of New Warrants affected thereby, the New Warrant Agreement shall not be amended in respect of an increase of the Exercise Price or revising the expiration date of each New Warrant to an earlier date and (ii) the Issuer and Warrant Agent may amend the New Warrant Agreement without holder consent for certain customary matters such as curing ambiguities and correcting a manifest error.

Other Terms and Conditions

As are customary for transactions of this nature, including, but not limited to, satisfactory documentation, including a New Warrant Agreement.

Exhibit H

New M&M Lien Debt Term Sheet

New M&M Lien Debt Term Sheet

This term sheet (the “Term Sheet”) is Exhibit H to the Joint Chapter 11 Plan of Core Scientific, Inc. and its affiliated Debtors (the “Plan”). Capitalized terms used but not defined herein have the meanings given to them in the Plan.

Set forth below are the principal terms of each M&M Lien Takeback Debt obligation (each, an “Obligation”) to be issued to each Debt Holder (as defined herein) in respect of each M&M Lien Secured Claim of such Debt Holder. The Obligations will be subject to (a) the approval of the Bankruptcy Court and (b) emergence by the Debtors from the Chapter 11 Cases on the Effective Date, in accordance with (i) the Plan and (ii) any order entered by the Bankruptcy Court authorizing the M&M Lien Takeback Debt, which may be part of the order confirming the Plan (the “Confirmation Order”).

Debt Issuer: The applicable Debtor that owns or leases the real property encumbered by the M&M Liens which secure the M&M Lien Secured Claim (such Debtor, the “Issuer”), in each case, as set forth on Exhibit I attached to the Plan.

Debt Holder: The General Contractor which is the Holder of the M&M Lien Secured Claim (the “Debt Holder”), in each case, as set forth on Exhibit I attached to the Plan.

Principal Amount: The amount of the Debt Holder’s M&M Lien Secured Claim attributable to the applicable real property encumbered by the M&M Liens which secure such Debt Holder’s Allowed M&M Lien Secured Claim (such amount, the “Principal”), in each case, as set forth on Exhibit I attached to the Plan.

Payment Recipient: With respect to Obligations in respect of M&M Lien Secured Claims attributable to amounts secured by M&M Liens of only the Debt Holder: the Debt Holder.

With respect to Obligations in respect of M&M Lien Secured Claims attributable to amounts secured by M&M Liens of the Debt Holder and, in duplication, by M&M Liens of one or more Subcontractors: Issuer shall make payments directly to each Debt Holder and Subcontractor, pro rata in the percentages set forth next to each such Debt Holder and Subcontractor on Exhibit I attached to the Plan; *provided, however,* that upon delivery to the Issuer of a final and unconditional lien waiver and release duly

executed by a Subcontractor, in recordable form and substance sufficient to permanently waive and release such Subcontractor's M&M Liens, the Issuer shall make all further payments on account of such Obligations attributable to such Subcontractor's pro rata percentages set forth next to such Subcontractor on Exhibit I attached to the Plan directly to the Debt Holder.

Each payment made directly to a Subcontractor shall reduce the amount of such Obligation, such Debt Holder's M&M Secured Lien Claim, such Debt Holder's M&M Lien, and such Subcontractor's M&M Lien, in each case on a dollar-for-dollar basis.

Interest Rate: Interest shall accrue at a rate of five percent (5.00%) per annum.

Payment Date: The Obligations shall be payable in quarterly installments, payable on the last of each calendar quarter (each such payment date, a "Payment Date") beginning on the first such date to occur after the Effective Date (e.g., if the Effective Date is on October 1, the first monthly payment date will be December 31) (such initial payment date, the "Initial Payment Date").

Maturity Date: The date that is ten (10) years after the Initial Payment Date.

Scheduled Amortization: Years 1–2: Interest only shall be payable.
Years 3–10: The Principal shall be fully amortized and payable in equal monthly installments.

Collateral and Security: Each Obligation shall be secured by the M&M Liens in favor of the Debt Holder that encumber the applicable property (the "Collateral").

Voluntary Prepayments: Each Issuer shall have the right, exercisable at any time and from time to time, to voluntarily prepay the M&M Lien Takeback Debt in whole or in part, without premium or penalty.

Any voluntary prepayment of the Obligations shall be applied in inverse or direct order of maturity in the discretion of, and as

specified in a notice accompanying such prepayment from, the Issuer.

Automatic Release of Mechanic's Liens: Any M&M Lien (i) of a Subcontractor, (ii) of the Debt Holder, or (iii) otherwise securing an Obligation shall be fully and finally extinguished upon the repayment in full of the applicable Obligation. Upon repayment in full of an Obligation, the Issuer is authorized to record (and granted power of attorney to effectuate such recordation) final, unconditional lien waivers, releases of lien, and such other documents or certificates required to fully and unconditionally release any such M&M Lien in the applicable real property records, and each applicable clerk is directed to accept such documentation.

Events of Default: The occurrence of the following event shall constitute an "**Event of Default**" by Issuer: Issuer fails to pay any quarterly installment on the Payment Date when such quarterly installment becomes due, and such failure continues for sixty (60) days after the Debt Holder gives written notice thereof to Issuer.

With respect to each Obligation, unless and until an Event of Default occurs, each Debt Holder and Subcontractor whose M&M Liens secure amounts attributable to M&M Lien Secured Claims in respect of such Obligation shall be barred from foreclosing or otherwise enforcing such M&M Lien or otherwise taking adverse action against the Issuer of such Obligation with regard to any amounts secured by such M&M Lien.

Governing Law: With respect of each Obligation, the State in which the real property encumbered by the M&M Liens securing the M&M Lien Secured Claims in respect of such Obligations is situated.

Documentation: Each M&M Lien Takeback Debt Obligation shall be automatically deemed to be issued upon the Effective Date of the Plan.

The Voting Classes (as defined below) include the following Claims: April Convertible Notes Secured Claims, August Convertible Notes Secured Claims, Miner Equipment Lender Secured Claims, M&M Lien Secured Claims, Secured Mortgage Claims, General Unsecured Claims, and Section 510(b) Claims. Holders of existing common stock issued by Core Scientific, Inc. (“**Existing Common Interests**”) are also entitled to vote.

During the Chapter 11 Cases, the Debtors and their restructuring advisors, including Weil, Gotshal & Manges LLP (“**Weil**”), PJT Partners, LP (“**PJT**”), and AlixPartners, LLP (“**Alix**” and, collectively with Weil and PJT, the “**Advisors**”), engaged in discussions with the Debtors’ five key stakeholder groups, including:

- i. the ad hoc group of the Debtors’ Convertible Noteholders (the “**Ad Hoc Noteholder Group**”),
- ii. B. Riley Commercial Capital, LLC (the “**DIP Lender**” and, together with its affiliated entities, “**B. Riley**”), which is also the largest holder of General Unsecured Claims,
- iii. certain secured miner equipment lenders (the “**Settling Miner Equipment Lenders**”),
- iv. the official committee of unsecured creditors (the “**Creditors’ Committee**”), and
- v. the official committee of equity holders (the “**Equity Committee**” and, collectively with the Ad Hoc Noteholder Group, the DIP Lender, the Creditors’ Committee, and the Settling Miner Equipment Lenders, the “**Key Stakeholder Groups**”).

Case 22-90341 Document 1440 Filed in TXSB on 11/16/23 Page 237 of 252

The Debtors' goal was to design a Plan that ensures the continuation of the Debtors' businesses as a going concern, preserves jobs, maximizes value, treats all stakeholders fairly, and enjoys widespread support. The Debtors believe that the Plan achieves such goal.

The Plan is the result of a mediation (the "**Mediation**") before the Honorable Marvin Isgur, which commenced on July 17, 2023 pursuant to the Mediation Order.⁴ Following several months of good faith and hard-fought negotiations, on [November 14¹⁶, 2023], the Debtors entered into that certain *Restructuring Support Agreement* (as amended, restated, amended and restated, supplemented or otherwise modified from time to time in accordance with the terms thereof, and including all exhibits, annexes, and schedules thereto, the "**Restructuring Support Agreement**" or "**RSA**") with (i) the Convertible Noteholders that are members of the Ad Hoc Noteholder Group and comprise (a) 93% of the Holders of the April Convertible Notes Secured Claims and (b) 80% of the Holders of the August Convertible Notes Secured Claims (collectively, the foregoing (a) and (b), the "**Consenting Creditors**") and (ii) the Equity Committee and the members of the Equity Committee, excluding Foundry Digital LLC (collectively, the "**RSA Parties**").⁵ The settlements embodied in the RSA are a global settlement of issues between the Debtors and the RSA Parties (the "**RSA Settlement**"), (including, among other issues, the Enterprise Value of the Reorganized Debtors, the size of the Convertible Noteholders' Allowed Claims and resolution of the dispute on the validity of the 2X Amounts, the treatment of the Convertible Notes Secured Claims, the treatment of Existing Common Interests, and the terms of exit capital to fund the Plan). The Restructuring Support Agreement sets forth the principal terms of the Debtors' restructuring, which are incorporated into the Plan and described herein.

As of the date hereof, the Plan is supported by three of the five Key Stakeholder Groups: (i) the Ad Hoc Noteholder Group, (ii) the Equity Committee, and (iii) the Settling Miner Equipment Lenders. The Debtors have also reached final settlements or settlements in principle with several other key creditors, including the Holders of a majority of the M&M Lien Claims, the Holders of Secured Mortgage Claims, and Celsius (the Debtors' largest litigation claimant), each as described further herein. The Plan currently does not have the support of B. Riley or the Creditors' Committee, but the Debtors intend to continue negotiations with such parties and work towards reaching a global settlement. In any event, regardless of whether a global settlement is reached, the Debtors believe the optimal path towards emergence is to move forward with the Plan so that they may proceed to exit these Chapter 11 Cases and make distributions to stakeholders expeditiously. Therefore, to the extent any Class votes to reject the Plan (including Holders of General Unsecured Claims in Class 8), the Debtors will seek confirmation of the Plan over such rejection under the "cramdown" provisions of the Bankruptcy Code.

i. Overview of Restructuring

The Plan, which incorporates the RSA Settlement and is premised on a \$1.5 billion total enterprise value of the Reorganized Debtors (the "**Enterprise Value**"), provides for a comprehensive restructuring of the Debtors' balance sheet and will strengthen the Debtors by substantially reducing their debt and preserving in excess of 240 jobs. The Debtors believe the Plan provides a full recovery (100% of the Claim plus postpetition interest) to all creditors (other than Holders of Section 510(b) Claims and creditors that have agreed to take lesser treatment) and a meaningful recovery to their shareholders.

Specifically, as described in greater detail below, the Plan provides, among other things:

- 100% recoveries, including postpetition interest, to all Classes of creditors (other than Section 510(b) Claims and creditors that have agreed to accept lesser treatment) in the form of one or more of the following: (i) Cash, (ii) new common equity ("**New Common Interests**") in Core Scientific, Inc. (on or after the Effective Date, the "**Reorganized Parent**") and/or certain Contingent Payment Obligations (as

⁴ *Agreed Mediation Order Appointing Judge Marvin Isgur as Mediator Regarding Debtors' Chapter 11 Plan*, entered on July 12, 2023 (Docket No. 1052) (the "**Mediation Order**").

⁵ *See Notice of Debtors' Entry Into Filing of Restructuring Support Agreement With (I)By and Among the Debtors, the Ad Hoc Noteholder Group, and (II) the Equity Committee*, dated November 16, 2023 (Docket No. 1440), filed contemporaneously herewith.

New Secured Convertible Notes (Class 1 and Class 2)

As further detailed in the New Secured Convertible Notes Term Sheet attached to the Plan as Exhibit C, the Reorganized Parent will issue freely-tradeable new secured convertible notes in the principal amount of \$260 million, which will, among other things, (i) accrue interest, in the Reorganized Parent's election, at either (a) six percent (6.0%) per annum in Cash and (b) six percent (6.0%) per annum in payment-in-kind New Common Interests ("PIK") or (b) ten percent (10%) per annum in Cash, (ii) mature five (5) years after the Effective Date, (iii) be secured by Liens on substantially all of the Reorganized Debtors' assets and property that are junior only to the Liens securing the New Secured Notes and Exit Facility, (iv) permit conversion to New Common Interests (or a combination of Cash and New Common Interests, at the Reorganized Parent's election) at the election of the Holders at any time prior to maturity at the then applicable Conversion Price (as defined in the New Secured Convertible Notes Term Sheet) and (v) require conversion to New Common Interests if the Reorganized Debtors' Enterprise Value equals or exceeds \$2.1 billion (the "New Secured Convertible Notes").

Contingent Payment Obligations (Class 1 and Class 2)

As further detailed in the Contingent Payment Obligations Term Sheet attached to the Plan as Exhibit D, Reorganized Parent's issuance of certain freely assignable and publicly tradeable contingent payment obligations in the aggregate amount of up to \$130 million (the "Contingent Payment Obligations"), which may become payable at the end of each year during the three-year period following the Effective Date, depending on the fair market value of the Convertible Noteholders Equity Distribution, in accordance with the following:

- **Year 1:** Beginning on the Effective Date through the first anniversary thereof (such anniversary, the "First Testing Date" and, such period, the "First Testing Period"), Reorganized Parent will pay the applicable payee its pro rata share of Cash (the "Year 1 Contingent Payment Obligation") equal to the lesser of (i) \$43.33 million and (ii) the difference between (a) \$260 million and (b) the fair market value of the Convertible Noteholders Equity Distribution (the "First Anniversary Payment Amount"); provided, that, the Year 1 Contingent Payment Obligation will be extinguished if the fair market value of the Convertible Noteholders Equity Distribution is equal to or in excess of \$260 million with respect to the First Testing Date. With respect to the First Testing Period, the fair market value of the Convertible Noteholders Equity Distribution is calculated by the product of (i) the volume weighted average closing price (the "VWAP") in the consecutive sixty (60) calendar day period immediately prior to the First Testing Date multiplied by (ii) the number of New Common Interests that comprise the Convertible Noteholders Equity Distribution. The below table describes four illustrative scenarios.

With respect to the Third Testing Period, the fair market value of the Convertible Noteholders Equity Distribution is calculated by the product of (i) the VWAP in the consecutive sixty (60) calendar day period immediately prior to the Third Testing Date multiplied by (ii) the number of New Common Interests that comprise the Convertible Noteholders Equity Distribution. Incremental Convertible Noteholders Equity Distribution (Class 1 and Class 2)

In accordance with the Plan and RSA Settlement, there are two circumstances where increased professional fees paid by the Reorganized Debtors on account of representatives of Holders of Existing Common Interests will (i) increase the Allowed Settled April Convertible Notes Secured Claims Amount and Allowed Settled August Convertible Notes Secured Claims Amount and (ii) thus result in the Holders of Allowed Convertible Notes Secured Claims receiving additional New Common Interests. The first is if the final Allowed amount of professional fees of the Equity Committee (the “**Final Equity Committee Fees Amount**”) exceeds \$6.75 million. The second is on account of any Allowed Claim of the ad hoc group of equity security holders (“**Ad Hoc Equity Group**”) for the reasonable and documented fees and expenses of Skadden, Arps, Slate, Meagher & Flom LLP, in its capacity as counsel to the Ad Hoc Equity Group, pursuant to section 503(b)(3)(D) of the Bankruptcy Code in an amount not to exceed \$1.5 million (the “**Ad Hoc Equity Group Substantial Contribution Claim**”).

Specifically, the Convertible Noteholders will receive New Common Interests with an aggregate value, based on Plan Value, equal to the sum of (the “**Incremental Convertible Noteholders Equity Distribution**”): (i) the Final

General Unsecured Claims will accrue interest at the Federal Judgment Rate from the Petition Date to the date of distribution.

Section 510(b) Claims (Class 11)

Section 510(b) Claims in Class 11 consist of any Claim against any Debtor (i) arising from the rescission of a purchase or sale of an Interest of any Debtor or an Affiliate of any Debtor (including the Existing Common Interests); (ii) for damages arising from the purchase or sale of such Interest; or (iii) for reimbursement or contribution Allowed under section 502 of the Bankruptcy Code on account of such a Claim. Section 510(b) Claims include both (i) Claims asserted or assertable against the Debtors in the Securities Class Action (as defined below) and (ii) proofs of claim (each a “POC”) Nos. 52, 54, 81, 82, 241, 351, 556, and 632, including the Securities Class Action POC (as defined below).

In accordance with section 510(b) of the Bankruptcy Code, each Allowed Section 510(b) Claim (i) is subordinated to all Claims, (ii) has the same priority as the Existing Common Interests (Class 12), and (iii) will receive treatment of the same value as the Existing Common Interests (Class 12).

Treatment

Each Holder of a Section 510(b) Claim will receive, on the Effective Date, or as soon as reasonably practicable thereafter, (i) such Holder’s Pro Rata Equity Share (as defined below) of the Residual Equity Pool and (b) such Holder’s Pro Rata Equity Share of New Warrants, and (iii) in lieu of the ability to participate in the Rights Offering, such Holders will receive, Cash, New Common Interests, or New Warrants, at the option of the Debtors or Reorganized Debtors, as applicable, in an amount equal to the value of the Subscription Rights that would have been distributable to such Holder if Subscription Rights were distributed to Holders in Class 11.

“Pro Rata Equity Share” is calculated by taking the amount of asserted Section 510(b) Claims divided by the amount of asserted Section 510(b) Claims and Existing Common Interests, valuing such Existing Common Interests as being equal to the entire value of the New Common Interests in the Residual Equity Pool, the New Warrants, and the Subscription Rights for purposes of this calculation.

For example, if there are (i) \$100 million of Allowed Section 510(b) Claims, (ii) 400 million shares of Existing Common Interests, and (iii) a \$800 million value of New Common Interests in the Residual Equity Pool, the Section 510(b) Class would receive 11.11% of the New Common Interests, which would be a recovery of approximately \$88.89 million in New Common Interests. This is calculated by assuming the value of Existing Common Interests is equal to the \$800 million of value of New Common Interests in the Residual Equity Pool and providing the Holders of Allowed Section 510(b) Claims a recovery equal to \$100 million over the total assumed value of the Existing Common Interests plus the Allowed Section 510(b) Claims (\$800 million plus \$100 million), which leads to the Allowed 510(b) Claims receiving 11.11% of the New Common Interests. The Holders of Existing Common Interests would receive the remaining 88.89% of the shares of New Common Interests in the Residual Equity Pool (\$711.11 million of New Common Interests) or \$1.78 per share.

The “**Residual Equity Pool**” means the New Common Interests remaining following(i) any and all distributions of New Common Interests to (a) Holders of Allowed April Convertible Notes Secured Claims in Class 1 pursuant to section 4.1 hereof, (b) Holders of Allowed August Convertible Notes Secured Claims in Class 2 pursuant to section 4.2 hereof, (c) Holders of Allowed Miner Equipment Lender Secured Claims in Class 3 pursuant to section 4.3 hereof, (d) Holders of Allowed General Unsecured Claims in Class 8 pursuant to section 4.8 hereof, (e) Holders of Existing Common Interests that participate in the Rights Offering on account of Rights Offering Shares, (f) the Backstop Parties on account of the Backstop Commitment Premium and Backstop Shares (if any), and (g) the Exit Lenders on account of the Exit Facility in the event of an ERO Shortfall (if any), (ii) the issuance and reservation of New Common Interests pursuant to the Bitmain Transaction, (iii) the issuance and reservation as treasury stock of New Common Interests in an amount sufficient to issue to Holders of Unvested RSUs and Stock Options their requisite New Common Interests assuming that all Unvested RSUs will vest and all Stock Options are exercised, and (iv) the Disputed Class 8 Claim Shares that are treated as if issued (but not actually issued) for the purpose of calculating the total number of New Common Interests to be distributed to Holders of Claims and Interests on the

believe that the Federal Judgement Rate is the appropriate rate of postpetition interest for an impaired class of unsecured creditors that vote to reject the plan in a solvent debtor case. The Fifth Circuit has not ruled on this issue (the Ultra decision only addressed the postpetition interest question for an unimpaired class of creditors) and Courts in other circuits, including the Second, Third and Ninth Circuits, have applied the Federal Judgement Rate under circumstances similar to the Plan.

E. Equity Committee's Recommendation

To be filed at a later date:

The Equity Committee supports the Plan and believes that it provides a fair and reasonable outcome for existing equity holders under the circumstances—with significantly more recovery for equity holders than was contemplated when these Chapter 11 Cases were initially filed. Under the Plan, equity holders will receive their pro rata share of:

- New Common Interests in reorganized Core Scientific, Inc., anticipated to be approximately 32% of the total equity;
- New Warrants to purchase up to 50% of the equity in reorganized Core Scientific, Inc. in the future, if certain conditions are met; and
- The opportunity to participate in the Rights Offering to purchase additional New Common Interests in reorganized Core Scientific, Inc. at a 30% discount to the \$1.5 billion Enterprise Value.

Accordingly, the Equity Committee recommends that you vote in favor of the Plan.

F. Confirmation Timeline

The Debtors seek to move forward expeditiously with the Solicitation of votes and a hearing on Confirmation of the Plan in an effort to minimize the continuing accrual of administrative expenses. Accordingly, subject to the Bankruptcy Court's approval, the Debtors are proceeding on the following timeline with respect to this Disclosure Statement and the Plan:

Based on its anticipated terms, the Reorganized Debtors' certificate of incorporation is expected to authorize the issuance of the New Common Interests and preferred stock. The Debtors and Reorganized Debtors have no present plans to issue any shares of preferred stock, but plan to issue New Common Interests as detailed herein. The chart below provides the percentage of New Common Interests the Debtors estimate will be held by various parties as of the Effective Date, based on certain assumptions, including regarding Allowed Claims, as discussed herein. If Claims are Allowed in amounts different than the Debtors' estimate, the percentages below may differ from the estimates.

³⁵ Convertible Noteholder Equity (Rights Offering Shortfall) represents the remaining equity distribution on account of the Rights Offering shortfall after accounting for the Exit Lenders (Rights Offering Shortfall).

³⁶ Assumes (i) Allowed Equity Committee fees of \$8.75 million and (ii) an Allowed Ad Hoc Equity Group Substantial Contribution Claim of \$1.5 million. Resulting in \$3.5 million of Incremental Convertible Noteholders Equity Distribution. This amount is subject to change based on the final Allowed Equity Committee fees and Allowed Ad Hoc Equity Group Substantial Contribution Claim.

³⁷ These percentages assume that only Anchorage Lending elects Miner Equipment Lender Treatment Election 1. This assumption is based on the Debtors' understanding of Anchorage Lending CA, LLC's intent through Debtors' conversations with the Settling Equipment Lenders. This percentage also assumes that Settling Equipment Lenders Wingspire Equipment Finance LLC f/k/a Liberty Commercial Finance LLC and 36th Street Capital Partners LLC elect the Default Miner Equipment Lender Treatment.

C. Prepetition Capital Structure

The following description of the Debtors' capital structure is for informational purposes only and is qualified in its entirety by reference to the documents setting forth the specific terms of the Debtors' obligations and any related agreements.

i. April Secured Convertible Notes:

On April 19, 2021, certain of the Debtors entered into that certain Secured Convertible Note Purchase Agreement (as may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**April NPA**”), by and among Core Scientific Holding Co., as issuer, the guarantors (the “**NPA Guarantors**”), as guarantors, U.S. Bank National Association, as note agent and collateral agent (together with any successor in such capacity, the “**Note Agent**”), and the purchasers of the notes issued thereunder. Core Scientific, Inc. assumed Core Scientific Holding Co.’s obligations under the April NPA upon consummation of the de-SPAC Transactions. The April NPA provides for the issuance of up to an aggregate principal amount of \$215 million of 10% convertible secured notes due 2025 (the “**April Notes**”), and an aggregate principal amount of \$215 million of April Notes were issued in April 2021 thereunder.

The April Notes mature on April 19, 2025 and bear interest at 10.0% per annum, of which 4.0% is payable in cash (“**Cash Interest**”) and 6.0% is payable in kind by capitalizing such interest payment and increasing the aggregate principal amount of the notes by the amount thereof (“**PIK Interest**”). In addition, the April Notes are convertible into shares of common stock of Core Scientific, Inc. at a conversion price, as of the Petition Date, of \$8.00 per share. As of the Petition Date, the aggregate principal amount of April Notes outstanding under the April NPA was approximately \$234 million, which amount does not include the April 2X Amounts (as defined and described below).

Pursuant to the terms of the April NPA, Core Scientific, Inc. is obligated to repay 200% of the principal and all accrued and unpaid interest under the April Notes (the “**April 2X Amounts**”) upon certain events, including a voluntary prepayment, a change of control of the Debtors, or the April 19, 2025 maturity date (the “**April 2X Provision**”). The Debtors and the Ad Hoc Noteholder Group dispute whether the April 2X Amounts are valid and

(“McCarthy”). McCarthy filed an objection to this Disclosure Statement and the treatment afforded to Holders of M&M Lien Secured Claims in Class 5 (Docket No. 1197). McCarthy later withdrew their objection (Docket No. 1412) to continue ongoing negotiations with the Debtors in the hopes of reaching a settlement. However, if the Debtors are unable to reach an agreement with McCarthy or overcome McCarthy’s objections to the Plan, the Debtors may be exposed to the risk disclosed below in section (IX)(D)(vi).

According to the Debtors’ books and records, and not taking into account any of the M&M Lien Settlements, the total amount of M&M Liens encumbering each M&M Facility (after subtracting amounts secured in duplication by both a General Contractor and a Subcontractor and all settled M&M lien amounts) and securing the M&M Lien Secured Claims are set forth below:

Facility	Total M&M Liens
Denton Facility	\$18,799,499.00
Cottonwood Facility	\$134,296.42
Cedarvale Facility	\$16,084.86

vi. Unsecured Bridge Notes:

In April 2022, Core Scientific, Inc. entered into a \$60 million Bridge Promissory Note with BRF Finance Co, LLC and a \$15 million Bridge Promissory Note with B. Riley Commercial Capital, LLC (such unsecured financing, the “**Unsecured Bridge Notes**”), each of which was further amended and restated in August 2022. The Unsecured Bridge Notes were to mature on June 1, 2023.

The Unsecured Bridge Notes required that 25% of the net proceeds from the issuance of any shares of common stock of Core Scientific, Inc. under its equity line of credit (“**Prepetition ELOC**”)⁶⁷ must be applied to repay the outstanding principal amount of the Unsecured Bridge Notes. Prior to the Petition Date, Core Scientific, Inc. repaid approximately \$33 million of principal under the Unsecured Bridge Notes, including from proceeds under the Prepetition ELOC. As of the Petition Date, the unsecured Claims arising under or related to B. Riley’s Unsecured Bridge Notes are estimated by the Debtors to total approximately \$42.7 million.⁶⁸

vii. General Unsecured Claims:

The Debtors had numerous other unsecured Claims outstanding as of the Petition Date, including Litigation Claims, General Contractor Unsecured Claims, Utility Unsecured Claims, and various Other Unsecured Claims (collectively, the “**General Unsecured Claims**”). Based upon the Debtors’ review of the POCs, General Unsecured Claims of approximately \$795 million have been filed against the Debtors in the aggregate. While the Debtors continue to review and reconcile all POCs, the Debtors believe that approximately \$81.4 million (including postpetition interest calculated at the Federal Judgement Rate)⁶⁹ of filed General Unsecured Claims, including the General Unsecured Claim held by B. Riley but not including the Miner Equipment Lender Deficiency Claims, and after giving effect to various settlements discussed herein, remain valid/allowable or will remain outstanding prior to the Effective Date. This \$81.4 million estimated amount assumes that (i) the Celsius Settlement will be consummated resolving the

⁶⁷ On July 20, 2022, Core Scientific, Inc. entered into an equity purchase agreement with B. Riley Principal Capital II, pursuant to which, Core Scientific, Inc. has the right to sell to B. Riley Principal Capital II up to \$100 million of shares of Core Scientific, Inc.’s common stock, subject to certain limitations and conditions set forth in the purchase agreement.

⁶⁸ The General Unsecured Claim held by B. Riley is estimated to total approximately \$44.3 million including post-petition interest at the Federal Judgement Rate through the expected Effective Date.

⁶⁹ See below risk factor in section IX regarding applicable postpetition interest rate.

Core Scientific, Inc. currently trades on the OTC Pink market under the symbol “CORZQ”. As of [May 5](#)[October 30](#), 2023, Core Scientific, Inc. had approximately [376,566,674](#)[386,021,602](#) shares of common stock outstanding.

V. SIGNIFICANT EVENTS LEADING TO THE CHAPTER 11 FILINGS

Although the Debtors’ operating performance remained strong at all times, a number of factors rendered the Debtors’ balance sheet unsustainable as of the Petition Date, leading the Debtors to file the Chapter 11 Cases. The primary factors were: (i) the decline in bitcoin prices and bitcoin hashprices; (ii) increased energy costs; and (iii) the dispute and corresponding litigation with Celsius Mining LLC (“Celsius”). These events leading to the chapter 11 filing are discussed in further detail below.

A. The Decline in the Price of Bitcoin and Increase in Bitcoin Network Difficulty

The period between October 2020 and November 2021 saw exponential growth in the price of and consumer interest in bitcoin and cryptocurrency generally. Although there was significant fluctuation in bitcoin prices throughout this period, bitcoin prices reached an all-time high of \$68,789 in November 2021. The increased bitcoin prices, in turn, led to a demand for hosting capabilities from companies interested in Mining bitcoin. During this period, the Debtors increased their market presence in the Mining industry through Self-Mining and selling bitcoin on the open market, as well as by hosting Miners for customers. The Debtors also benefited from lower energy costs during this period, resulting in higher profitability.

After November 2021, however, the price of bitcoin steadily declined. In May 2022, this was exacerbated by the beginning of the “crypto winter” when the value of stablecoin UST (“Terra”) fell below that of the U.S. dollar. Because the purpose of the stablecoin was to maintain an equal value to the U.S. dollar, the drop in value resulted in a “run” on the coin, as holders sought to sell before the value of their assets diminished. This crash rendered both Terra and its linked cryptocurrency Luna worthless. Many crypto firms and crypto-focused hedge funds that owned Luna incurred significant losses through the Terra/Luna crash. The collapse erased nearly \$18 billion of value and contributed to further selloffs in the crypto sector.

In addition, on May 5, 2022, the Federal Reserve raised interest rates by 0.5%, triggering another round of market selloffs. Thereafter, bitcoin fell 27% during an eight-day period. By July 2022, multiple companies in the cryptocurrency sector commenced insolvency cases. Each one affected and further pushed the next towards insolvency as a result of significant interconnectedness and contagion within the industry. Notably, Three Arrows Capital, Ltd., Voyager Digital Holdings, Inc., and Celsius all filed for bankruptcy protection under either chapter 15 or chapter 11 of the Bankruptcy Code in July 2022.

Subsequently, the cryptocurrency market was further rattled in November 2022 by the chapter 11 filing of FTX Trading Ltd. (“FTX”—one of the world’s largest cryptocurrency exchanges—and the allegations of fraud and mismanagement related thereto. BlockFi Inc., a leading crypto lender, filed a chapter 11 case shortly thereafter, citing connections to FTX as a precipitating factor of its filing. Although these chapter 11 cases did not directly impact the Debtors, with the exception of Celsius as discussed further below, the declining price of bitcoin throughout this period did negatively impact the Debtors’ financial performance.

In general, a significant reduction in the price of bitcoin over the course of 2022 contributed to the decline in the Debtors’ financial performance. From November 2021 through November 2022, the price of bitcoin decreased from \$68,789 to \$16,000. The decrease in bitcoin prices was accompanied by an increase in network difficulty resulting from increased network hash rates (described above), resulting in reduced revenues and profitability for the Debtors.

B. Increased Energy Costs

As noted, the Debtors maintain Self-Mining and Hosting Operations at eight Data Centers across the United States. To generate the computing power necessary to operate Data Centers and the Miners, the Debtors rely on tremendous amounts of power.

On January 9, 2023, the Office of the United States Trustee for Region 7 (the “**U.S. Trustee**”) appointed the Creditors’ Committee pursuant to section 1102 of the Bankruptcy Code to represent the interests of unsecured creditors in these Chapter 11 Cases (Docket No. 257). On February 3, 2023, the U.S. Trustee reconstituted the Creditors’ Committee (Docket No. 456). The current members of the Creditors’ Committee are: (i) Dalton Utilities; (ii) Sphere 3D Corp.; (iii) MP2 Energy LLC d/b/a Shell Energy Solutions; and (iv) Tenaska Power Services Co.⁸³ The Creditors’ Committee retained Willkie Farr & Gallagher LLP, as counsel, Gray, Reed & McGraw LLP, as conflicts and efficiency counsel, and Ducera Partners LLP, as financial advisor. *See* (Docket Nos. 664, 602, and 675).

E. Appointment of Equity Committee

As the price of bitcoin began to increase after the Petition Date, an ad hoc group of the Debtors’ equity holders (the “**Ad Hoc Equity Group**”) formed and reached out to both the Debtors and the U.S. Trustee seeking the appointment of an official equity committee. Following the U.S. Trustee’s denial of such request, on February 3, 2023, the Ad Hoc Equity Group filed a motion with the Bankruptcy Court seeking the appointment of an official equity committee (Docket No. 458).

Although the Debtors initially opposed the appointment of an official equity committee, as the price of bitcoin continued to increase, the Debtors ultimately engaged in negotiations with the Ad Hoc Equity Group and ultimately supported the appointment of an official equity committee on certain conditions, including a fee cap of \$4.75 million and a scope limited to issues of valuation and plan negotiation. *See* (Docket No. 570). The Debtors shifted their position on the official equity committee because (i) rising bitcoin prices and lower energy costs suggested the Debtors may be solvent and (ii) principles of fairness supported the equity holders receiving representation with respect to the issues of valuation and plan negotiation. On March 1, 2023, the Bankruptcy Court entered an order (Docket No. 642) directing the appointment of an Equity Committee on the terms set forth therein.

On March 23, 2023, the U.S. Trustee appointed the Equity Committee pursuant to section 1102 of the Bankruptcy Code to represent the interests of equity security holders in these Chapter 11 Cases (Docket No. 724). The Equity Committee is currently comprised of (i) The Rudolph Family Trust, (ii) Douglas S. Wall, (iii) Brent Berge, (iv) Foundry Digital LLC, (v) RBH Holdings LLC, and (vi) Aaron Baker. The Equity Committee subsequently retained Vinson & Elkins LLP as its counsel and FTI Consulting, Inc. as its financial advisor. *See* (Docket Nos. 933 and 934).

F. Debtors’ Key Employee Retention Program and Proposed Amendment to CFO’s Employment Agreement

In December 2022, with input from their Advisors and an independent compensation consultant, the Debtors adopted a two-tier key employee retention program (the “**Original KERP**”) to retain certain key employees (the “**Key Employees**”) throughout the Debtors’ restructuring efforts.

The first tier of the Original KERP provided certain key executives with awards designed to retain such executives through these Chapter 11 Cases. The Debtors paid the awards for Tier 1 of the Original KERP prior to the Petition Date.

The second tier of the Original KERP provided for discretionary bonuses to certain non-executive Key Employees (the “**Second Tier Original KERP Members**”), approximately 110 members of the Debtors’ non-executive workforce, who perform a variety of important business functions for the Debtors, including accounting, legal, business development and intelligence, information technology, finance, facility and project management, and operational functions. The second tier KERP provides for quarterly cash payments to the applicable Second Tier

⁸³ B. Riley was originally appointed as a member of the Creditors’ Committee and participated on the Creditors’ Committee through January 24, 2023, on which date its affiliate determined to engage in discussions regarding providing an alternative DIP financing proposal to the Debtors. B. Riley resigned from the Creditors’ Committee upon the Bankruptcy Court’s entry of the Interim DIP Order.

Debtors, the Ad Hoc Noteholder Group, and the Equity Committee (Docket No. 1367) later that day. The Restructuring Term Sheet sets forth the keys terms of the Mediated Settlement and further advanced the Debtors' efforts to achieve consensual and value-maximizing restructuring. Those efforts culminated in the Debtors', the Ad Hoc Noteholder Group's, and the Equity Committee's entry into the RSA, which, among other things, solidified such parties' support for the Plan and the restructuring contemplated thereby. The Debtors believe that the RSA and the RSA Settlement reflected therein provide the Debtors with a clear path to confirmation of the Plan and emergence from chapter 11.

P. Exit Capital Marketing Process

The Debtors engaged in a process to seek new money capital to fund potential cash needs, including to pay down the balance of the DIP Facility and fund any liquidity needs that may arise post-emergence, based upon the Business Plan.

The PJT team drafted marketing materials, populated a virtual dataroom, and identified potential outreach parties in connection with the exit financing capital raise. PJT and the Debtors have worked together to contact over 75 parties, comprised of (i) parties inside the Debtors' capital structure, (ii) parties previously interested in investing in the Debtors, (iii) hedge funds, (iv) private equity / venture capital firms, and (v) certain strategic parties. As a result of this outreach, PJT held more than 50 introductory calls, culminating in more than 20 parties executing non-disclosure agreements and that provided them with access to a virtual dataroom.

The Debtors engaged in active dialogue with remaining potential capital providers. As of the July 20, 2023 deadline for all parties to submit indications of interest, five interested parties remained. The Debtors and their Advisors engaged in rounds of negotiations with certain of the interested parties, sharing rounds of proposals and counter-proposals.

As a result of such negotiations, three transactions emerged that collectively would satisfy the Debtors' capital needs at a reasonable cost, as described below in more detail.

The Debtors have also reached several agreements or agreements in principle that collectively lower their cash needs at emergence. The Celsius Settlement and the Bitmain Transaction are each described in greater detail above, but each substantially lowered the overall capital needs of the Debtors. The Exit Facility includes pay down of the DIP Facility, thus reducing the need for a cash repayment of this amount on the Effective Date. The Business Plan contemplates the Reorganized Debtors increasing the number of Miners in their fleet, and the Bitmain Transaction provides the Debtors with a portion of these Miners in exchange for equity in the Reorganized Debtors rather than in exchange for cash. In addition, the Celsius Settlement further reduced the Debtors' estimated cash need, by settling Administrative Claims that would have otherwise been paid in cash upon the Effective Date and providing for a cash payment from Celsius to the Debtors of \$14.5 million. The Bitmain Transaction combined with the Celsius Settlement lowered the Debtors' estimated cash need upon emergence by \$48.5 million⁸⁹ from \$75 million to approximately \$26.5 million.

i. Rights Offering and Backstop

The Debtors will conduct an up to \$55 million Rights Offering, pursuant to which the Holders of Existing Common Interests will have Subscription Rights for Rights Offering Shares at ~~price a p~~ Per Share Price reflecting a 30 percent (30%) discount to the Plan Equity Value implied by the \$1.5 billion Plan Enterprise Value. The Debtors estimate that the Plan Equity Value will be approximately \$795 million. To facilitate the Rights Offering, the Debtors have ~~reached an agreement with entered into the Backstop Commitment Letter, pursuant to which~~ members of the Equity Committee and the other Backstop Parties ~~have agreed~~ to provide a Backstop Commitment in an amount of \$37.1 million. ~~In exchange for their Backstop Commitment, the Backstop Parties will receive the 20% Backstop Commitment Premium, which will be paid in New Common Interests at the Per Share Price, upon consummation of~~

⁸⁹ The Celsius Settlement had a Cash benefit to the Debtors of \$18.5 million and the Bitmain Transaction provided a \$30 million reduction in anticipated Cash needs upon emergence.

~~the Rights Offering or, if the Backstop Commitment Letter(s) is terminated for a reason other than a breach by the Backstop Parties (among other exceptions), the Backstop Termination Payment, in each case, subject to Bankruptcy Court approval. The Equity Committee submitted a proposal for the Backstop Parties (including certain equity holders and other parties) to backstop the Rights Offering. The Backstop Parties have entered into the Backstop Commitment Letter pursuant to which the Backstop Parties have agreed to backstop the Rights Offering an amount of \$37.1 million, in exchange for a Backstop Commitment Premium equal to 20% of the Backstop Commitment Amount, paid in New Common Interests at the Per Share Price, as well as other rights. The Backstop Commitment Letter also includes certain reasonable milestones, termination payments, and indemnifications. If the Backstop Commitment Letter is terminated due to a specified Termination Event (as defined in the Backstop Commitment Letter), the Backstop Parties shall receive the Termination Payment in an aggregate amount equal to 5% of the Backstop Commitment Amount.~~

During the Rights Offering Holders of Existing Common Interests will be able to exercise Subscription Rights to purchase New Common Interests at a discount, and in the event that less than the \$55 million is timely, duly, and validly subscribed and paid for, such Holders can exercise their Oversubscription Rights to purchase additional New Common Interests.

The Debtors have filed a motion to approve the Backstop Commitment Letter (Docket No. 1383). Additional information regarding the procedures for exercising Subscription Rights or Oversubscription Rights can be found in the Rights Offering Procedures attached as Exhibit 15 to the motion to approve the Disclosure Statement (Docket No. 1384) as well as the supplement to the Backstop Motion (Docket No. 1415).

ii. The Exit Facility

The Exit Lenders have agreed to provide the Exit Facility. As further detailed in the Exit Facility Term Sheet, an up to \$80 million exit facility, comprised of (i) \$40 million in new money delayed draw term loan commitments, including up to \$20 million of which will be immediately available to satisfy Allowed DIP Claims, and (ii) a conversion of \$40 million in Convertible Notes Claims. The Exit Facility will, among other things, (w) provide the Initial Exit Lenders with a three percent (3%) premium payable in Cash or added to the principal amount of the Exit Facility, and all Exit Lenders will receive a non-refundable payment in the form of New Common Interests in an amount equal to the lesser of the quotient of (a) the ERO Shortfall (if any) multiplied by 1.2 and (b) Line 1 divided by 0.7 and two-percent (2%) of Plan Equity Value, (x) accrue interest at 9 percent (9%) per annum Cash with a 1 percent per annum (1%) Cash fee for amounts undrawn, (y) mature three (3) years following the Effective Date, and (z) (a) first-priority Liens on substantially all of the Reorganized Debtors' assets, subject to exclusions to be agreed, including all bitcoin Miners acquired subsequent to the first \$52.5 million of unencumbered bitcoin Miners purchased after the Effective Date, and (b) second-priority Liens on the first \$52.5 million of unencumbered bitcoin Miners purchased after the Effective Date, loans the Miners secured by the Miner Equipment Lender Agreements, real estate mortgages, and M&M Liens.

The Exit Facility will be consummated pursuant to the Plan and the RSA Settlement.

Through the combination of the Rights Offering, the Exit Facility, the Celsius Settlement and the Bitmain Transaction, the Debtors have more than enough capital commitments in place to satisfy all capital needs required under the Debtors' Business Plan.

VII. TRANSFER RESTRICTIONS AND CONSEQUENCES UNDER FEDERAL SECURITIES LAWS

Except as set forth in the following paragraph, the offer, issuance, and distribution under the Plan of the New Secured Notes, the New Secured Convertible Notes, the New Warrants, the Contingent Payment Obligations, and the New Common Interests (including those issued upon the exercise of the New Warrants, upon the conversion of the New Secured Convertible Notes, on account of the Contingent Payment Obligations, if any) shall be exempt, pursuant to section 1145 of the Bankruptcy Code, without further act or action by any Entity, from registration under

A. Certain Bankruptcy Law Considerations

i. Parties in Interest May Object to Plan's Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

ii. Risks Related to Possible Bankruptcy Court Determination that Federal Judgement Rate is not the Appropriate Rate of Postpetition Interest for Unsecured and Undersecured Claim

The Plan provides that General Unsecured Claims, including Miner Deficiency Claims, accrue postpetition interest on the principal amount of such Holder's Claim at the Federal Judgment Rate. The Debtors believe that this is the appropriate rate of interest to pay unsecured and undersecured claims in a solvent debtor case based on applicable case law. It is not settled law in the Fifth Circuit, however, as to whether the Debtors, as solvent debtors, are required to provide Holders of impaired unsecured/undersecured Claims with the Federal Judgement Rate of interest or the applicable contractual rate of interest. In *In re Ultra Petroleum Corp.*, 51 F.4th 138, 158 (5th Cir. 2022), the leading Fifth Circuit case on this issue, the Court held that unimpaired creditors were entitled to the contract rate, but did not issue a holding with respect to impaired creditors. Holders of such Claims may object to receiving the Federal Judgment Rate and may demand pospetition interest at their prepetition contractual interest rate. If a Court were to determine that such Holders of Claims were entitled to their contractual interest rate, the amount of such Claims will likely increase significantly materially.⁹⁰ Depending on the particular contract rate applied and the amount of Allowed General Unsecured Claims (and potentially the Allowed Miner Equipment Lender Claims), \$10 million or more in value of New Common Interests pay be payable to creditors, including Allowed General Unsecured Claims, instead of to Holders of Existing Equity Interests, as compared to the estimates provided herein.

iii. Distributions to Allowed Existing Common Interests and Allowed Section 510(b) Claims (if any) May Change

Under the Plan, Holders of Allowed Claims (other than Section 510(b) Claims) will be paid the full value of their Claims, depending on individual elections, regardless of the amount of Claims that are ultimately Allowed. However, Holders of Allowed Section 510(b) Claims and Allowed Existing Common Interests are entitled to the Residual Plan Value, which is the remaining value of the Reorganized Debtors after payments to all Allowed Claims (other than Section 510(b) Claims). Accordingly, the value of their distributions will depend on the amount of Claims ultimately Allowed as well as the outcome of the appropriate rate of postpetition interest (as detailed above) and elections made by Holders of Claims in Class 3. The value of the projected distributions to Holders of Existing Common Interests are based upon good faith estimates of the total amount of Claims ultimately Allowed as well as anticipated elections by Holders of Claims in Class 3 and the determination that the Federal Judgement Rate is the appropriate rate of postpetition interest for Holders of unsecured/undersecured Claims. The Debtors believe that these assumptions and estimates are reasonable. However, unanticipated events or circumstances could result in such estimates or assumptions increasing or decreasing materially and the actual amount of Allowed Claims in a particular Class may change. If the total amount of allowed Claims in a Class is higher than the Debtors' estimates, the recovery to Holders of Existing Common Interests may be less than projected.

⁹⁰ The Debtors estimate that if the prepetition contract rate is applied to all unsecured or undersecured Claims, the amount of General Unsecured Claims in Class 8 that are Allowed will increase by approximately \$7.1 million; however, if the contractual default rate is applied such increase will total approximately \$ 13.9 million.

iii. The Amount of New Common Interests Issued to Holders of Existing Common Interests On Account of Exercising Their Subscription Rights May Be Adjusted

The Plan provides for three separate treatment options for holders of Class 3 Miner Equipment Lender Secured Claims, two of which include the option to receive New Common Interests. The number of New Common Interests issued to holders of Existing Common Interests on account of their exercising their Subscription Rights may be adjusted to reflect the elections made by holders of Class 3 Miner Equipment Lender Secured Claim.

E. Risks Related to the Contingent Payment Obligations

The Reorganized Debtors' ability to make required Cash payments, if any, pursuant to the Contingent Payment Obligations depends on the Reorganized Debtors' financial condition and operating performance, which are subject to prevailing economic, industry, and competitive conditions and to certain financial, business, legislative, regulatory, and other factors beyond the Reorganized Debtors' control. The Reorganized Debtors may be unable to maintain a level of cash flow from operating activities sufficient to (i) permit the Reorganized Debtors to pay the First Anniversary Payment Amount pursuant to the Year 1 Contingent Payment Obligation, if applicable, or (ii) allow the Reorganized Debtors the option to pay in Cash the Second Anniversary Payment Amount or Third Anniversary Payment Amount pursuant to the Year 2 Contingent Payment Obligation or Year 3 Contingent Payment Obligation, respectively. Additionally, the potential Contingent Payment Obligations include an added risk to the total distribution received by Holders of Claims in Classes 11 and 12, as such Holders' distribution of New Common Interests will be diluted by any New Common Interests distributed on account of the Contingent Payment Obligation.

F. Risks Related to the Exit Facility

While the Debtors ~~intend-to~~have executed the RSA with the Ad Hoc Noteholder Group, which includes the provision of the Exit Facility. The effectiveness of the Exit Facility commitment is subject to material conditions precedent that the Debtors may have difficulty satisfying prior to the Effective Date. Additionally, the Ad Hoc Noteholder Group may fail to satisfy their commitment.
